

# DiMag Slams 2 Homers And Rogues Lose, 8-5

Pittsburg, Cal., Apr. 28—(Special to Mail Tribune)—Play-er Manager Vince DiMaggio of the Pittsburg Diamonds proved far too potent with his bat last night as his two homers ac-counted for six of Pittsburg's runs that defeated the Medford Rogues 8-5.

The California team had to come from behind to defeat the Oregon team as the Rogues were showing their best form of the still young season to lead 5 to 0 as the last of the fifth inning started. The Medford boys scored three runs in the first and two in the second.

DiMaggio slammed out a grand slam roundtripper in the fifth and then came back in the seventh with a two run blast, both over the left field barrier. The twin assault proved fatal to Fitcher Lloyd Jones of the Rogues who otherwise silenced the heavy-hitting Diamonds.

Medford took a 3 to 0 lead in the first frame when Don Fitzpatrick walked, Manager Tommy Nelson reached on an error, Don Williams also drew a free ticket and Catcher Mark Guglielmo doubled to deep right center field.

The Rogues picked up their final two runs in the second stanza on successive singles by Jones, Fitzpatrick, Stewart and Nelson.

Jones struck out three and walked four while Jack Hemphill for the Diamonds whiffed nine and walked seven. Jones was also the top Rogues batter with three singles in four tries, Guglielmo doubled and singled in three trips and Stewart got two singles.

Pittsburg.....000 060 202-8 10 2  
Jones and Guglielmo, Hemphill and Fraser.

## Rogues' Tickets On Sale Saturday Downtown Booth

A booth from which tickets for the Medford Rogues home games and especially the opening tilt May 2 at the Fairgrounds will be erected Saturday morning in time to catch the downtown crowds of shoppers, President Les Stamper of the Athletics Booster club said.

Last week Saturday a booth set up by the local marine corps recruiting office sold nearly 50 tickets to opening day plus setting aside reserved seats or box seats for the whole season.

Tomorrow the marines again will help out in putting up the booth but this time it will be located near the U. S. National bank building in a parking space. Police Chief Clatous McCredie has given permission for the Boosters to take over a parking space.

The booth is sponsored by the Athletics Booster club as part of its program to boost athletics in southern Oregon. Girl ushers for this year's Rogues' home games will be in charge.

## Local Golf Team Away

Headed by Norm Worthley and Wayne Johnson, 17 Rogue Valley Country club men will contend Sunday morning in a team golf watch with Roseburg golfers on the Roseburg links.

It will be the first team activity of the year for the Medford devotees. The Medford delegation will include members of the high school golf team, Phil Getchell, Bill McAllister Jr., Eddie Oldfield, Justin Smith Jr. and Bob Shepherd Jr., who are now participating in competition at Coos Bay.

Rogue Valley will entertain Eugene golfers here on May 7.

## Pann Relays Scheduled

Philadelphia, Apr. 28—(U.P.)—The Pennel relays, giddiest and gaudiest of the east's big track and field meets, opens today for the 56th annual running with a field of 3,000 competing in the to-day program at Franklin field.

Three relay championships and five individual titles will be decided today. In tomorrow's closing performances, five relay titles and seven individual events stand out.

# Sub Match At Armory Tough One

A substitute wrestling match on the armory card last night turned out to be a wild and wooly knock-down-and-drag-out affair which turned the place into bedlam with fans shouting wildly and grapplers hammering each other from pillar to post as well as chasing each other around the aisles.

When the smoke of battle had subsided the team of Pete Belcastro and George Strickland had defeated Leo Wallick and Buck Davidson. The substitute match was arranged when a recurrence of a knee injury kept Lee Grable, who was supposed to meet Wallick, off the card.

The team match was pretty much of a one-sided affair as far as the Wallick-Davidson combination was concerned. Except for a brief flurry when all four men were in and out of the ring in a wild mele, Davidson refused to relieve his partner and frequently advised Belcastro and Strickland on methods of procedure.

After it was all over Wallick and Davidson became engaged in an argument which Wallick settled by knocking Davidson out with a pile driver. That irked Belcastro and Strickland and they chased the Chicago toughie from the ring before aiding Referee Earl Yoakley in removing the unconscious Davidson.

In other matches, Belcastro used a surfboard to take two falls from Ted Bell, the second by default when Bell was unable to continue, and Davidson won two out of three from Strickland.
