

Mr. Trouble, Your Host in Derby Trials

Lexington, Ky., Apr. 28—(U.P.) C. V. Whitney's Mr. Trouble loomed today as the horse to watch in the forthcoming Kentucky Derby, but Your Host, the California colt, still shaped up as the horse to beat.

Mr. Trouble barged into contention for the derby yesterday when he outraced Oil Capitol and eight other three-year-olds in important Blue Grass stakes at Keeneland.

Your Host Does Well
Meanwhile, at Churchill Downs, Your Host got acquainted with the derby course and introduced one more reason why he deserves the role of favorite for the classic by working a mile in 1:41 flat.

It was the fastest workout of a derby eligible to date and even amazed Your Host's regular exercise boy, Melvin (Tuffy) Moran, who was instructed to hold the colt down to a 1:43 spin.

Mr. Trouble, off his Blue Grass victory, undoubtedly will cause plenty of trouble for his rivals in the derby a week from Saturday.

The teams scheduled to compete are from the Columbus School for the Blind.

Portland, Ore., Apr. 28—(U.P.) State game commission today made the following week-end fishing forecast:

Trout angling varies from fair to good in most waters of central coastal area. Large fish are being taken from tidewater but lakes are producing more limit catches. Salmon angling remains slow in Umpqua river. Stream conditions are good for trout and steelhead fishing which opens May 1 on Umpqua watershed.

Coos county—Streams low and clear. Striped bass fishing fair on Coos and Milliloma rivers.
Curry county—Water conditions and angling prospects good.

Drake Relays Start Today

Des Moines, Ia., Apr. 28—(U.P.) The 41st Drake relays open today with a star-studded field of more than 2,000 athletes entered and sparked by two midwest relay teams determined to set new American records.

Relays Director Tom Deckard predicted several new marks would be set at the annual track classic if the weather is favorable for both days of the meet. However, rain was forecast for tomorrow.

The University of Kansas four-mile quartet had its sights on the American mark of 17:16.1, now held by Indiana, while the Oklahoma Aggies sent a sprint medley relay team after the national record of 3:23.0.

However, the Oklahoma Sooners, holders of the present mark set here in 1942, also were ready to defend their honors. The Sooners finished in front of the Aggies at the Kansas relays last week-end.

Ashland Youngsters To Get Preview of Angling Opportunities

Ashland, Apr. 28—Fishing in Ashland creek—which runs through Ashland's famed Luthia park—has been reserved by city mandate for anglers under 14 years of age. And a preview of the sport is available to the youngsters from Monday on, when fishing season opens, will be given Saturday at 10 a.m.

Cole M. Rivers, Grants Pass game commission representative, will release a truckload of hatchery-raised trout, and the kids will be permitted to help him unload them in the creek.

On Monday they'll probably need no help in "unloading" the fish from the creek.

School Baseball Away, Saturday

Medford high baseball squad travels to Myrtle Creek for a non-conference doubleheader Saturday starting about 12:30 p.m. with possibly Dennis Conner handling the pitching chores in one game and either Derald Wooten or Jack Turk doing it in the other.

Today the Tornado nine is playing a Southern Oregon conference game with the dangerous Grants Pass high team at the local field. Either Wooten or Turk was expected to pitch today. Terry Maddox, who hurt his leg two weeks ago, is still missing from the lineup.

The FBI reports that 1,763,290 major crimes were committed in the United States last year, or one every 18 seconds.
