U. S. Fighters Help Philippine Air Force Manila—(U.P.)—The Philippine air force became one of the strongest in the far east when it received 50 F-51 fighter planes from the United States government. The Mustangs were turned over to the Philippines on recommendation of the joint United States military group in this country. The planes originally cost the United States more than \$2,645,000. They are first-class operational fighters and are expected to strengthen the Philippine armed forces in their continuing fight against communist-led Hukos on Luzon. The United States 13th air force in the Philippines is an all-jet organization, no longer using the F-51s.

Convicted Douks Due For Prison Journey Nelson, B. C., May 2—(U.P.)—Provincial police today laid plans to transport 41 convicted Sons of Freedom Doukhobors from the crowded Nelson jail to British Columbia's Oakalla prison. Police said the Slabodniks, convicted of nudism and arson, would be moved to the prison "within two days" by train. Ten former members of the radical Doukhobor sect were sentenced to 2 1/2 years each when they appeared Thursday at Trail, B.C. The other 31 were given three-year jail terms Friday and rocked the staid Nelson court by staging a strip before embarrassed officers could stop them from pulling the "rip cords" on their leopards' clothing. A total of 141 arrests have been made since April 14. Police said more arrests were in the offing as soon as more room was available in the jail, built to hold only 50 inmates at one time.

President Ready for Cross-Country Trip Washington, May 2—(U.P.)—President Truman takes up next week where he left off in 1948, speeding across the continent in one-night stands with praise for his administration and brickbats for the opposition. The president leaves Sunday afternoon on what he calls a "non-political" tour. That means no invective against the republicans—on Sunday. He delivers eight major speeches and more than 50 others not so major in cities, towns and "whistle stops" in 15 states before he returns here nine days later. It is the same format used in his "give-em-hell" cross-country jaunt just prior to the big party nominations conventions two years ago. The president's big political appearance is scheduled for Chicago on the night of May 15 before a mammoth national democratic pep meeting. He will participate in a broadcast and televised cabinet meeting from the stage of the Chicago stadium. Three chaplains assigned to the Far East air forces in new Japan travel an estimated 550,000 air miles annually to visit their widespread parishes.
