

For better buys in produce—better buy at THE BIG Y MARKET. Not only do we sell so much so fast that you're always sure of the finest of the freshest fruits and vegetables, but we also watch over them with loving care to make sure that they're perfect when you buy them. We sprinkle what must be kept moist . . . keep dry what must be kept dry . . . trim, primp, polish and pamper our produce no end. And that's why it looks better . . . tastes better . . . IS better—and a better buy, too.
