Spring Musicales Of Grade Pupils Set For May 19

The annual elementary school spring musicale will be held Friday, May 19, at 7:30 p. m., in the high school stadium. Over 1,000 students will appear in this seasonal outdoor event featuring 800 singers, a rhythm band of 350 pupils in the second grade and 150 young instrumentalists, as well as numerous folk dances. Music will include springtime songs and the traditional Maypole dance. There will be patriotic selections and old favorites such as Stephen Foster's "Beautiful Dreamer" and the lovely "Stars of the Summer Night" and "Old Folks at Home."

The production is under the direction of Miss Mabel L. Nansen, vocal music supervisor in the Medford public schools. Assisting will be elementary room teachers of grades two to four, physical education directors and instrumental instructors. It is thought that the use of the stadium will provide an ideal setting for the spring musicale, making possible the participation of more students than can be accommodated in the auditorium and providing ample space for spectators.

The musicale, in observance of National Music week, is free to the public.
