# America the Beautiful Is Cry of War Refugee

Charleston, W. Va.—(UP)—A 27-year-old Morris Harvey college student who spent four years in a German concentration camp believes "the most wonderful thing about America is that here a fellow can walk down the street without being afraid."

Gehard Aufleger, who came to Charleston last October from Europe, said the freedom children enjoy in America and this nation's "unequaled" beautiful women are two sharp distinctions in comparison with Europe.

Sauger pike tagged in Norris lake by the Tennessee valley authority have been caught as far away as 18.1 miles from the point where they were put in the water.

MEDFORD (OREGON) MAIL TRIBUNE—THREE

# Prayer Suggested For Use Sunday

In connection with National Security week and Armed Forces day to be observed here next week, the following prayer has been suggested by the war department as appropriate for use on Sunday, May 14. It will be read in a number of Medford churches Sunday.

Lord God of Hosts, in whom our fathers trusted: We give Thee thanks for all Thy servants who have laid down their lives in the service of our country. Unite all the people of this nation in a holy purpose to defend the freedom and brotherhood for which they lived and died. Grant, we beseech Thee, that the liberty they bequeathed unto us may be continued to our children and our children's children.

O God our Father, we commend to Thy keeping all the men and women serving our country in the armed forces by sea, land and air, that they win for the whole world a just peace, and that the sacrifices which they offer for our country's cause may be acceptable in Thy sight, and that an entrance into Thine eternal peace may, by Thy pardoning grace beopen unto them.

And Thine shall be the glory forever and ever.

Amen.
