

PROPOSED MEDFORD WATER SUPPLY DEVELOPMENT—Shown above is the route intended for the proposed new water transmission line from Big Butte springs to Medford to increase and safeguard the water supply system. On a special city ballot at the primary election Friday, May 19, Medford residents will be asked to vote on a \$2,800,000 bond issue for the construction of the aqueduct. The board of water commissioners anticipate that no increase in existing water rates and no tax levies will be necessary to amortize the cost of the development over the 30-year payment period. A dam and reservoir at Willow creek is included in the project to insure the Eagle Point irrigation district its prorata

share of the stream flow from supplementary water. The district has a larger priority right from the springs than Medford. After more than two years of study commissioners have determined that Medford's increasing population can best be served by a second water line. Commissioners have stressed that present water supply is inadequate and that last summer water use restrictions were necessitated. They said that more repairs will become necessary for the present pipeline and service interruptions will become more frequent, although the line will last past its previously determined life expectancy. Danger of depending upon one line and the hazard in case of an aqueduct break have been stressed.

KCs Present Quiz Show at Vets' Center

Camp White, May 13—Knights of Columbus from Medford put on a quiz show here Friday evening with prizes of cigarettes and candy being given. Member Arthur Wyckoff played the piano for the musical quiz, and Dr. Arnold Depper was M.C. in the absence of Jimmy Dunlevy. In the kitchen and at the serving table was Mrs. Lee Meeker who took over the refreshment

Bill Walker Wins \$500 Scholarship Awarded by AFL

Bill Walker, son of Mr. and Mrs. Arlie O. Walker, 2241 Jacksonville highway, returned yesterday from Portland where he won a \$500 first prize scholarship presented by the Oregon state branch, American Federation of Labor. Young Walker who is a member of the 1956 Medford high school graduation class, took his final exams toward the scholarship in Portland Friday evening. He had passed preliminary examinations toward the scholarship some time ago. The scholarship is without restrictions as to course or college in the United States. Walker plans to study pre-medicine at University of Oregon, Eugene, according to Kelly Lee, Portland, AFL official in charge of the scholarships.

Mrs. Van Scoy Teacher Walker's teacher is Mrs. Johnny Van Scoy. It is the second time that a student of Mrs. Van Scoy has won the same scholarship and she has also taught two runners-up. Two other students won the same amount in the scholarship exams, Harold Tolliver, McMinnville, and Mary Frances Kimmel, Franklin high school, Portland.

Three alternate winners each won \$50 cash.

Munich, May 13—(U.P.)—Pauline Straus, 87, widow of Composer Richard Straus, died today of pneumonia.

Girl Scout Camp Volunteer Work Asked by Leaders

A call for volunteers to get Low Echo Girl scout camp at Lake o' Woods ready for the summer session has been issued by Mrs. Marjorie Hopkins, scout executive here.

She reported that Victor Califf is in charge of recruiting the help and that volunteers should contact either him or Col. Charles Stafford, chairman of the building committee.

Work of preparing the camp will commence Sunday, May 21, she said. Camp sessions will start on July 9. That leaves few week-ends to accomplish an extensive work program and the larger the number of men that volunteer the faster and easier the task will be, Mrs. Hopkins declared.

Projects Listed

Among the projects will be the construction of a fireplace in the main lodge as a memorial to Mrs. Raymond Driver, and installation of a fountain in memory of Mrs. Gordon Voorhies. The fountain is a gift from Colony club.

Other contemplated projects are shower installation, water-front improvement, woodsplitting and painting.

All work at the camp to date has been done by volunteers, fathers of the girls and friends of scouting.

Col. Stafford and Rollin Jones were to go to the lake this weekend to look over the camp.

To Make Plans For Bell's Visit To Rogue Valley

Plans for displaying the Oregon Liberty Bell in Jackson county will be discussed at a meeting at Leonard's Electric store at 7:45 p. m. Monday, May 15.

The bell is being brought to Oregon in connection with the United States savings bond independence drive. Tap of the clapper at Pendleton on Monday will launch the 50-day campaign in Oregon. On May 24 the bell will arrive in Jackson county, which has a \$150,000 quota.

According to present schedule, the bell, an exact replica of the original American Liberty Bell, will arrive at Rogue River at 8:45 a. m., May 24. It will then be taken on to Gold Hill and Central Point and should arrive in Medford about 10 a. m. After a showing at Medford schools, the bell will be hauled to Phoenix, Talent and Ashland.

Plan Honor Guard

The bell will be returned to Medford for display between 6 and 7 p. m. A Ford truck, one of 52 loaned for the drive, is transporting the bell, one of 53 cast in France. Col. H. J. Meiring will head a guard of honor while the bell is in the county and seniors from high schools in the county will form a color guard.

The bell will be turned over to the state on July 4.

Police Haul Large

Newark, N. J., May 13—(U.P.) Police seized 63 knives, a dagger, and a pair of home-made brass knuckles in a midnight raid on 110 taverns and pool halls Friday night.

Dead line on Classified Ads: 5:30 p.m. for following day; 10 a.m. Monday for Monday; noon Saturday for Sunday a.m.

Junior High Band Plays At Camp White Center

Camp White, May 13—Medford junior high school chorus of 100 mixed voices entertained at Camp White Wednesday evening before a packed hall. The songsters were directed by Raymond Lewis.

Janet Monia and Anelda Lewis, and Marion Rice played a violin solo.

A violin solo by Carol Ellison was featured, followed by baritone solo by Jerry Adams. An instrumental number was played by Marion Rice.
