Unusual Containers To Be Seen Tuesday At Gardener's Show

Valley residents who have prized tea pots, tea kettles and pitchers will have an opportunity to display them at the Medford Garden club's spring flower show to be held in the social hall of the YMCA, Tuesday, May 16.

One of the classifications of the show calls for arrangements done in tea kettles, tea pots and pitchers and it anticipated that some very unusual and rare containers will be seen in this display. These arrangements will be in charge of Mrs. D. H. Barber.

The division of cup and saucer arrangements also affords an excellent opportunity to display out of the ordinary china and pottery. This section in the last year's garden club show was very outstanding, and Mrs. Dale Franklin, who is chairman of the cups and saucers for the show, invites any one having a cup of interest to fill it with posies and enter it.

The show is non-competitive and everyone is invited to participate. Entries will be accepted from 8 a.m. to 11 a.m., and the show is open to the public from 12 noon until 9 p.m.

Perfume That Clings

Q.—Dear Penny: I adore perfume, but for some reason or other its fragrance just does not last on me. I have told several of my friends that I want a new perfume, but first I must find out about a lasting one.—Mrs. A. W. A.—A particularly good idea for women who claim that perfume does not "stay with them" is a Liquid Skin Sachet. It smooths on the skin very easily, and lingers longer because of its sachet base. It has a slower rate of diffusion and evaporation than any other type of fragrance. Try this Houbigant Chantilly Liquid Skin Sachet.
