Canada Purchasing 100 Jet Airplanes

Washington, May 18—(U.P.)—Canada is buying 100 F-86 jets, the world's fastest operational fighter plane, to use in the Canadian-U. S. air defense network, military sources said today.

The Royal Canadian air force plans to send pilots here soon to learn to fly speedy F-86. The plane holds a world's speed record of 670 miles per hour with normal operation armament and ammunition.

The U. S. air force approved a deal granting Canada manufacturing rights. The Canadian "sabres" are being manufactured at the Montreal plant of Canadair Limited, a subsidiary of the Electric Boat Co., a U. S. concern.

Delivery of the first Canadian plane is scheduled for this summer.

On the Side—By E. V. Durling

(Distributed by King Features Syndicate, Inc.)

Since there is excitement
In suffering for a woman,
Let him burn on.
The dust in a wolf's eyes
Is balm of flowers to the wolf
When a flock of sheep has
raised it.
—From the Arabic.

Nature gave man the best eyes of all animals, but still about two-thirds of human beings require glasses. Poor and unintelligently placed lighting equipment in offices, street cars, homes, schools and even public libraries, has much to do with the state of the average person's eyesight.

Horses & Women

"For a woman to be truly fascinating she should have a mouth that is a little larger than is quite proportionate to the other features. Women with this type of mouth are usually genial, tolerant, lovable and human and have a great appeal to men." That's what Harry Thurston Peck said in a discussion of the female sex titled, "The Woman of Fascination." By a "woman of fascination," Mr. Peck meant the type that drives men wild such as Mme. Du Barry, Mme. Pompadour, Nell Gwynne, Gaby Deslys and the lady described in Mr. Kipling's poem, "The Vampire."

Blonde or Brunette

Again the question arises, was Cleopatra a blonde or a brunette? I have been claiming she was brunette. If anybody proves she was a blonde I figure I am stuck for 1,786,432 stogies. That beautiful and talented actress, Claire Luce, believes Cleo was a blonde. When Claire played Cleopatra in Shakespeare's "Anthony and Cleopatra," at Stratford-on-Avon, she played her as a blonde. She did so on orders from the celebrated Shakespearian producer, Robert Atkins, who maintains that portrayal was historically correct.

Asking

Queries from clients. Q.—Just saw Marlene Dietrich in her latest film. I agree she is the world's most glamorous grandmother. How long has she been married? A.—Marlene has been married just about 27 years. I have also been asked by another client to name Miss Dietrich's leg measurements. They are 8½ inches at the ankle, 12½ at the calf, 19½ at the thigh. Q.—See that a Florida outfit plans to stage ostrich races with pari-mutuel wagering. Is an ostrich a faster runner than a horse? What can an ostrich do six furlongs in? A.—An ostrich without a rider can do six furlongs in about 52 seconds. That makes it faster than a racehorse which has to carry a rider in a race. However, I don't know how fast an ostrich can run when carrying a jockey and weight.

Widows

When a woman wears her wedding ring on the third finger of her right hand it means she is a widow. That's what a New Yorker says. I never saw a woman wearing her wedding ring that way. Still it might be a good idea for young widows. It would indicate they were in circulation again and might attract the tention of some matrimonially inclined men who would seek introductions.

Mules & Men

Note an alleged expert on the subject of how to acquire a high grade husband says, "the clinging vine technique" is no longer effective. According to our Mules & Men experts she is very wrong. They say the "clinging vine technique" has been clicking with the male sex for over 3,000 years and is still going strong. It all depends on how it is handled. That is, it must now be utilized in the modern manner rather than in mid-Victorian way.

Our M & M experts also say the "clinging vine technique" should be continued after marriage. If not, the wife is very likely to find that she has become "the sturdy oak" of the family and the husband the clinging vine. More on this vitally important matter anon.

SCHOOL'S OUT!—Waters of the flood-swollen Red River cover the entire campus of the University of Manitoba in Winnipeg, Canada, where an estimated 3000 homes and eight square miles are inundated. Although the water is beginning to recede, experts believe much of the city will be flooded for weeks. (Acme Telephoto.

NLRB Hearing Due On Coos Bay Charges

Portland, Ore., May 18—(U.P.)—A National Labor Relations Board hearing will be held in Coos Bay on an unfair labor charge filed jointly by the CIO International Woodworkers of America and the AFL Lumber & Sawmill Workers.

The two unions charged that the Irwin-Lyons Lumber Co., Coos Bay, discriminated against them on the matter of vacations as a result of CIO picketing of the lumber vessel Rolando in 1948.

CIO pickets attempted to enforce a demand that Irwin-Lyons use CIO crewmen instead of AFL sailors on the Rolando. The AFL lumber workers respected the picket line.

The accusing unions contended that the company reduced vacations for men who stayed off the job during picketing.

R. B. Trunks, NLRB examiner, will conduct the hearing at Coos Bay city hall beginning June 13.

Gong Used to Halt Vociferous Candidates

Portland, Ore., May 18 — (U.P.) Sixty-four democratic, republican and non-partisan candidates for offices in tomorrow's primary election told East Side Commercial club members and guests why they should be elected—but speaking time was limited to 30 seconds.

A gong kept vociferous candidates in line with the time rule.

Hoover Campaign Results in Lawsuit

Portland, Ore., May 18—(U.P.) A $50,000 lawsuit was on file here today against J. Showalter "Bud" Lynch for what the plaintiff, Orville K. Buckner, said developed from a fistic argument over campaign strategy regarding Dave Hoover-for-Senator.

Buckner, an executive of the Electric Steel Foundry, charged that his nose was broken when Lynch "assaulted, beat and battered" him in a downtown Portland restaurant May 1.

He complained that Lynch punched him in the nose during a heated argument over campaign strategy in the Hoover campaign. Lynch is an advertising man in charge of Hoover campaign advertising.

Buckner asks $35,000 damages for "extreme embarrassment and humiliation" and injuries. In addition, he asks $15,000 special damages to cover doctor bills and punitive damages against Lynch.

Lynch had no comment to make until he saw his lawyer, but he did remark:

"Fifty thousand smacks! Gee whiz!"

LOSING LIVELIHOOD

Yachats, Ore., May 18—(U.P.)—The modern world is taking away R. H. Cressman's living at Heceta beach. He complained to the state of Oregon that jeeps and other vehicles were ruining his towing business when private automobiles became mired in soft beach sand.

Kelp plants as large as redwood trees grow off the San Francisco shore.

Here's One for Lewis: Coos Bay Finds Coal

Coos Bay, Ore., May 18—(U.P.) Note to John L. Lewis:

Workmen have uncovered a four-foot vein of coal 20 feet underground between Coos Bay and Empire while excavating for a wall for a drive-in theater.

Prospect

Prospect, May 18 — Mr. and Mrs. C. E. Green of Prospect are in Ukiah, Cal., on a business trip. The Greens plan to return some time this week.

Mr. and Mrs. James L. Dole of Clatskani, Oregon, visited the Bill Gaines family May 14. Mrs. Dole is the mother of Mrs. Gaines and she will remain several weeks. Her husband returned home Monday, May 16.

J. Curl of Bend, Ore., visited Mr. and Mrs. Jake Jones and family of Prospect. Mrs. Curl accompanied Mrs. Jones' singing at the Sophomore Variety Show, May 16.

Ernest Welch of Sulphur, La., is visiting the Bert Baker family of Mattson's Mill. Mr. Welch arrived Wednesday and will stay for several weeks.

Sophomore class of Prospect high school presented a variety show, in the school gymnasium May 16. Entertainment numbers included vocals, skits, tap dances, and instrumentals. A cake was auctioned and sold for $7. Kenneth Oswald won a toe contest and received a sport shirt. Admission was by donation. Total proceeds amounted to approximately $70.
