## A Nichols' Worth of—

### Comment On This and That

By HARMAN W. NICHOLS  
United Press Feature Writer

Washington, May 19—(U.P.)—The guys who bucked the waves with the great old lady of the seas, the aircraft carrier Hornet, are coming back to honor her again.

Come June 3, many of the boys who had the ship will gather here in a second annual reunion.

The occasion will be Donald Clark of Billings, Mont., who will return as an unfit sea man.

The fellows, when they get together at these reunions, act that way, too.

It's like when the old Hornet set out from Pearl Harbor on March 4, 1944, on a twisting voyage through the Pacific. She struck the first blow for the liberation of the Philippines. She was the first to hit Tokyo in a full-scale carrier attack. She was the first to hit Yamato. She beat out two typhoons. She was the first to attack the enemy fleet anchored in homeland bases.

There was not a stuffed shirt aboard. Very few "aye, aye, sirs."

There won't be any at this reunion. From captain down, it'll be "Hiya, mate. How's the old lady?"
