15 Air Force Men Die in Crash of B-29

London, May 19.—(U.P.)—The U. S. air force announced today that 15 of its men were killed when a B-29 superfortress crashed while trying to make an emergency landing at Lagenis air base in the Azores.

The superfort was one of a flight of the 301st bomb group flying from Barksdale Field, La., to England. The bombers were replacing the second bomb group, which had completed a 90-day training period.

(The total of 15 dead conflicted with an announcement from the bomber's home base, where a public relations officer said 16 persons—11 crewmen and five passengers—were killed.)

The air force said the wrecked bomber was diverted from the main group on the flight from Bermuda to Scunthorpe, England, after its left outside engine failed.

California reported 28 cases, an increase of 14 over the preceding week. Texas reported 38, an increase of 10.

The number of flu cases continued to wane, however. There were 2,492 cases reported last week, compared with 3,399 in the preceding week.

Happy Is The Day When Backache Goes Away . . .

As we get older, stress and strain, over-exertion, excessive smoking or exposure to cold sometimes slows down kidney function. This may lead many folks to complain of nagging backache, loss of pep and energy, lassitude and dizziness. Getting up nights or frequent passages may result from minor kidney irritations due to cold, dampness or dietary indiscretions.

If your discomforts are due to these causes, don't wait, try Doan's Pills, a mild diuretic. Used successfully by millions for over 50 years. While these symptoms may often otherwise occur, it's amazing how many times Doan's give happy relief—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

From all indications, the boxing bout tonight should be a honey. Dick Wagner, formerly of Portland, Ore., clashes with Tiborio Mitri, European middleweight champ, in a ten-round middleweight bout at Madison Square Garden. That's 7 o'clock tonight, and we hope the Fatman will follow.

A note for the Baby Sitter program from Aunt Fanny of the Breakfast club: Says Aunt Fanny: "There was never anything so incorrectly named as 'Baby Sitting.' Speaking of her experiences in this department, she says 'I was in every position . . . except sitting.'"

How many of you like to play Bingo? And, how many of you like a local give-away program? We're not fishing for answers on this, but if you are one of either or both of these groups . . . you'll be very happy in the near future!

A note to George Milligan: Congrats on the new flyer in the family, born on Wednesday. Our apologies for not getting this in the column sooner, but when we write this up two days in advance, I think you can see how that would happen. While you recruit the new member into Mercy Flights, Inc., we'll take a cigar!

Have a note the West Side school was through the station on Thursday morning. More details on this trip a little later.

Washington, May 19.—(U.P.)—Kaiser-Frazer corporation today reported first quarter sales of \$14,470,365, compared with \$17,540,285 in the similar 1949 period.
