

Budget Election in School District Set In Medford Tuesday

E. H. Hedrick, Medford school district superintendent of schools, Saturday called attention to the annual school budget election to be held in the girls' gymnasium of the Medford senior high school next week.

The election will be held Tuesday, May 23, from 3 to 9 p.m. (2 to 8 a.m. Pacific standard time).

Approval of the district's electorate is sought for \$213,817.60 in excess of the six per cent limitation to meet the requirements of the school district for the fiscal year 1950-51.

The total budget is \$998,886.26. Against this are receipts of \$424,439.55 from state aid, tuition, and other sources. Bond and interest payments already voted by the people are \$119,201.26. The complete budget as prepared by the citizens budget committee was published in The Medford Mail Tribune under dates of April 24, May 4 and May 11.

Over Last Year

The present budget, according to Hedrick, is \$47,443.76 over that of last year. This was made necessary by the employment of six additional teachers to meet population growth, and increase in bond and interest payments, he said. No increase in teachers' salaries over last year is provided other than some small increments provided by the salary schedule. The millage tax level is expected to be about the same as last year—around 31 mills.

Persons eligible to vote at the school election must be registered voters living within school district No. 49, and must have lived in the district at least 30 days.

Antioch Cemetery Association Sets Meeting Saturday

Antioch Cemetery association will hold its annual meeting on Saturday, May 27, at the cemetery.

It will be an all day session for cleaning the burial ground. A picnic lunch is scheduled for noon and a business meeting at 2 p.m. for election of one trustee and other matters. The yearly membership fee will be due.

Families and all others interested in the cemetery are asked to be present or to contact members of the board of trustees if they have not yet done so. Those attending are asked to bring their own tools.

Measures Suggested

Trustees have suggested four measures for cemetery care: 1. Keep the gate closed; 2. Do not dig up clover as it will spread and choke out grass; 3. Each new burial is to be level with the ground and excess dirt hauled away; 4. Those wishing a plot should contact the chairman or clerk for its selection. Plots of burials have been obtained and the unused part of the grounds will be surveyed before Memorial day by Will Jones.

The association will always meet on the Saturday prior to Memorial day for the annual cleanup and election. Present board members are Mrs. George Luffin, Sams Valley, chairman; Earl Bigham, Eagle Point, and Mike Sweet, Medford, trustees, and Miss Ina Pearl Lucas, Medford, clerk.

U-SHAPED EGG

Floyd, Ia. (AP)—A U-shaped egg was laid by a hen belonging to John Warnholtz. He said the egg would just about fit into a two-inch square box and is less than one inch in diameter at its widest point. The egg has no yolk.

R. F. Kyle, Eugene Thorndike, James F. Campbell, Chester Hubbard and Herb Gray. School board members are E. Ronald Rice, Otto Frohnmayer, John John Moffatt, Evelyn Nye and Frank Bush.

Phoenix Slates Two Pre-School Events This Week

Phoenix, May 20—Two events for pre-school children of Phoenix and their parents were announced today by the Phoenix grade school staff and the Parent-Teacher association.

Wednesday, May 24, at 1 p.m. first grade teachers will conduct "visitors day" for all children who will enter the first grade next fall. The children should be brought to school on that afternoon and left there, just as in regular session. They will be given a preview of what is expected of them and what they can expect on the first school day. The child will have the opportunity of meeting his teacher and seeing the rooms he will occupy in school, and playground equipment will be explained. Parents are asked to cooperate in this venture for the benefit of the child.

Roundup Set

Monday, June 12, has been set for the annual summer-roundup at the Phoenix grade school "shack." County health officers and a staff of PTA assistants will conduct a pre-school health conference and will offer immunization against smallpox, diphtheria and whooping cough.

Appointment cards have been sent out to all pre-school children registered through the census; however any parent not contacted should bring his child to the clinic at that date between the hours of 9 a.m. and 4 p.m.

It is a state requirement that all children entering the first grade have a physical examination, either by the county clinic or by their own physician.

Science Could Double Life Span of Man

Passaic, N. J., May 20—(AP)—Man could live an average of 120 years instead of the present 67.5, Dr. Thomas S. Gardner told members of the Chemical society last night.

If scientists had \$3 million for research he said, they could double the life span, possibly within 10 years.

Dover, England, May 20—(AP)—The Belgian fishing trawler Paulette was sunk 18 miles off the east coast of England Friday when it caught a mine.

Gray Ranks Thinning
Jackson, Miss. (AP)—When Confederate Memorial day was observed this year, the ranks of the boys in gray had thinned to two in Mississippi. Still living were T. W. Gunn of New Augusta and J. A. Thrasher of route 2, Forest. Thrasher said he was 98 years old and the age of Gunn wasn't known.
