**Does Earth Have a Tail?**

The explanation of the geogheisn is uncertain. Generally it is considered that it is likely associated with the zodiacal light, that delicate pyramid of white extending up from the western horizon in the evening after all twilight has faded, and up from the east before dawn. There may be a disk of dust and gases and meteoritic material extending all around the sun out considerably beyond the earth's orbit. Sunlight on this seemingly could cause the glow. Only 30 years ago some thought it was a phenomenon of our own atmosphere, but this now seems unlikely. Maybe the tail theory and Swedish scientists.

**YOU TOO**

Medford, Ore., May 21—Some Manufacturers give their employees the right to buy at wholesale prices.

You, too, are now able to buy upholstered furniture wholesale. The Rogue Valley has a furniture manufacturing plant whose policy is to manufacture upholstered furniture and sell direct to the public at wholesale prices.
