

MOVING WITH UNUSUAL SPEED, trial of Sergeant Lyle H. Buswell (right), 33, accused of murdering WAF Fairy E. Decker, 44 (left), at Hamilton Field, before Federal Judge Louis E. Goodman, in San Francisco is expected to end in few days. All male jury was selected, six witnesses were heard in trial's first day. (International)

Liberty Bell Arrives In County; Bond Men Speak

Oregon's Liberty Bell, a nearly exact replica of the famed American Liberty Bell, arrived in Jackson county today and after a tour of schools was to be shown publicly from 4 to 5 p. m. in downtown Ashland and from 5:30 p. m. to 7:45 p. m. at the railroad property at Main and Front streets in Medford.

The bell is being displayed in many Oregon communities in connection with the Independence savings bond drive of the United States treasury. Purpose of the bell tour is to remind youngsters and adults of America's heritage and to encourage thrift.

Makes County Stops

Jackson county stops of the truck bearing the bell were to be at Rogue River, Gold Hill, Central Point, Medford, Phoenix, Talent and Ashland schools. The symbol of liberty has attracted considerable interest elsewhere in the state.

Patriotic Parade To Mark Memorial Day Observances

A patriotic parade at 10 a. m. will open Memorial day observances in Medford Tuesday, May 30, according to Col. W. H. Paine, who is in charge.

A program will follow at Hawthorne park.

Parade units will form at the old city park and will march on Main street to the Bear creek bridge where there will be an invocation by the Rev. George R. V. Bolster, music, strewing of flowers on the water, a rifle salute and taps. The ceremony will honor those who gave their lives in the service of the country on oceans, lakes and streams.

The parade will continue to Hawthorne park, where Attorney Manville M. Heisel will be principal speaker.

Program Listed

Other portions of the program will be the pledge of allegiance, music, reading of General Logan's general order by Mrs. Genevieve Hyde, president of the local tent of the Daughters of Union Veterans of the Civil War, and Lincoln's Gettysburg address, to be delivered by Richard Dickinson.

Vacant chairs will be decorated by representatives of veterans and patriotic organizations in honor of departed comrades. There will be group singing of America and the benediction by the Rev. Bolster.

If weather is inclement, the program will be held in the First Presbyterian church.

All social, fraternal and civic betterment groups of Medford and neighboring communities are invited to take part in the parade. These groups and the general public should attend the ceremonies in the park, Paine said.

A memorial service will be held Sunday, May 28, at 11 a. m. at the Salvation Army citadel.

Dead line Sunday Classified is at Noon Saturdays.

Write For Laws

With bees moving from other parts of Oregon and also from Idaho, California and Washington into Oregon seed growing areas, it will take the active cooperation of everyone concerned to keep seed producing areas reasonably free from bee diseases, Black said.

Persons buying or hiring bees should write to the department headquarters at Salem for copies of the Oregon laws covering honeybees. It is best to proceed with caution, or you're apt to get stung.

Bag of Groceries Up

Over 1935-39 Period

Washington, May 25—(U.P.)—The average American city dweller now pays \$1.95 for a bag of groceries that cost him \$1 in 1935-39, the bureau of labor statistics said today.

The bureau said the retail food price index dropped six-tenths of one per cent over the nation from January to February.

ENLIVEN Cripples

Richmond, Va., —(U.P.)—The operators of a theater here believe the movie "Red Shoes," about a ballet dancer, must have healing qualities. During the first day's showing three persons walked out of the theater and forgot their crutches.

(Acme Telephone)

HAVE YOU SEEN THIS GIRL?
—Mary Thompson (above), 15, has been missing from the Reedley, Calif., home of her aunt, Mrs. Dolores Patterson, since May 2. Her mother, Mrs. Sophie Thompson of San Francisco, who fears her daughter may have met with foul play, has appealed with local, state and Federal authorities to press the search for the girl.

New Roads Needed to Reach Virgin Forests

Washington, May 25—C. M. Granger, assistant chief of the forest service, told congress today that 2 billion feet of timber are lost each year because they cannot be reached.

He told a senate public works subcommittee that 36,000 miles of new roads and trails are needed for "reasonably adequate protection and proper use of the national forest resources." The needed roads and trails would cost \$634 million.

George M. Fuller of the National Lumber Manufacturers' association said new roads are needed to reach and harvest the virgin forests in the Pacific northwest.
