You'll see it in the best places, on the prettiest people... because the bra does really wonderful things, especially for the smaller figure. So does the trunk, frankly—it thinks it's a girdle, and so will you. Wear LITTLE WONDER strapless for sunning—the halter's adjustable. Here, snug-molding LASTEX (R), smooth COTTON and ACETATE, and dry-in-a-wink NYLON add up to Jantzen's NYLOSHEEN
