Ashland Airport To Be 'Fly-In' Host Soon

The state board of aeronautics, in its Oregon Air News, has urged private pilots to participate in the "summer fly-ins" this year, including one at Ashland June 18.

The fly-ins are planned to give private pilots short aerial vacation trips to some of the state's most scenic areas. The trips are usually planned to coincide with some aeronautical event in each of the towns, such as aviation fairs, air shows, airport dedications and state and county fairs. The fly-in at Ashland will be a breakfast hop.

The sponsors of the summer flying activities are the Operator's association, local flying organizations, Oregon Flying Farmers, Sportsmen Pilots, Oregon Flyers and the state board of aeronautics.
