U. of Oregon Announces Change in Pass Policy

Eugene, May 26—A major change in the athletic department's policy regarding passes to University of Oregon athletic contests for lettermen was announced here today by Leo Harris, athletic director.

A system of life-time passes will be established this summer and will go into effect during the 1950 football season, Harris said. The new system replaces the five-year pass which formerly was granted to letter-winners.

The public will be welcome at the team matches and the exhibition by a man who has done quite a bit in the past for the American Bowling congress.

Tornado Picked to Win Individual School Toga

By Hank Green

Medford high's rampaging track squad that has dominated every dual and triangular meet held this season not to mention winning top honors in the Rogue and Hayward relays and in the state track meet, will be watched closely Saturday night out at the school field.

The inter-district track meet between southern Oregon schools and Portland will be the occasion for the boys from the south to get into the win column for the first time in the three-year history of the meet.

EVENTS START SATURDAY AT 8 P.M.

Activities tomorrow will get underway at 8 p.m. with the pole vault and discus exhibitions on deck.

Schools in southern Oregon rank this Portland meet with the Hayward relays and state meet as about the best run each year among high schools in the state.

Ducks Rated High in Track

Eugene, Ore., May 26—(U.P.)—The University of Oregon track team, newly crowned champion of the northern division, rates an even chance of breaking into the top of the top three this week-end in the 20th running of the Pacific Coast conference meet at Berkeley, Cal.

The Webfoots will fight it out with Stanford and California for the second and third spots behind heavily favored Southern California.

Top Oregon hopefuls are Sprinter Bill Fell in the 100 and 200 and George Rasmussen, defending champion in the pole vault.

Others making the trip for Oregon are: Dave Henthorne, Jack Smith, Mitch Clear, Al Butler, Jack Countryman, Walt McClure, Jack Hutchins, Art Backlund, Pete Mundie, Jack Doyle, Dennis Sullivan, Don Pickens, Chuck Missfeldt, Woodley Lewis and Bob Anderson.

The squad will leave Eugene by chartered plane tonight and return Saturday after the finals.

Inter-district marks for the boys from both sections to shoot at include Cox (Franklin) height of 12 ft. 9 in. in the pole vault, made in 1948, Schubert (Klamath) distance 56 ft. 10 1/2 in. in shot put in 1949, Jack Morris (Medford) time of 14.9s in high hurdles in 1949.

Also the 9.8s running of 100 by Brock (Washington) in 1949, Newcomb (Benson) mile run of 4m 23.6s in 1948, Rich Riggs (Medford) 440 run in 1948 of 50.5s and Jack Morris time of 22.6s for low hurdles in 1949.

The half mile mark was set by Jepson (Benson) in the relay with 1m 59.35s and the relay mark of 1m 31.2s was made both in 1948 and 1949 by the Medford quartet.

Jack Morris will be out to at least equal the national high school mark of 22s flat in the low hurdles and Warren Wendt of Medford will try to better his 12-ft. mark made in tying for the state title last week-end at Corvallis.

South Oregon Favored
Klamath Falls, Ashland and Grants Pass will also have boys in the meet tomorrow night at Medford's field with the southern Oregon combinations strong favorites to once again take individual school honors.

Spectators will enter through the east or new grandstand and sit in that stand. The west side stand will be reserved for boys taking part only.

A charge for admission will be made due to the cost of bringing the Portland boys here and for their housing and meals while here. Director Lee Ragsdale hinted that Medford might have to give up sponsoring the meet unless larger crowds turn out tomorrow than have in the past.

9,134 Elk Said Bagged In Oregon Last Year
Portland, Ore., May 26—(U.P.)—Elk tag returns received by the state game commission showed 26,096 hunters bagged 9,134 elk in Oregon during the 1949 season.

The elk kill tripled in the last three years, while the number of hunters has doubled. These figures are based on tag returns and checking station records kept since 1933.

The large elk kill is attributed to the liberal elk hunting regulations of the last few seasons by Robert Mace, chief of big game for the game commission.

BARTLE GETS TWO HITS
Salem, Ore., May 26—(U.P.)—Dick Bartle, former first baseman for the Medford Nuggets, rapped out two hits in four tries last night and figured in a double play twice but Salem needed more than that because it fell victim to Wenatchee 12 to 3 in a WIL game at Salem.

Grade School Baseball End

Washington and Jackson school baseball teams closed the 1950 grade school season yesterday afternoon by posting victories over Lincoln and Roosevelt respectively.

Both games were closely fought with the Lincolnians showing great improvement over early season games despite a loss 4 to 1 to Washington while Jackson edged Roosevelt 8 to 7. Washington ended the season undefeated and the other three were tied for second.

Sides and McLoughlin formed the battery for Washington and for Lincoln it was Cearley and Boyd. Jackson used Durante and Copple while Millard and Ring worked for the Roughriders.

Tyler doubled for Jackson and Ring got two hits in four trips for Roosevelt to lead the batting in that game. The only hits for Washington were singles by Sides and Perkins. Snyder and Fellows each got one single for Lincoln and Turner slapped out two hits.

Lincoln, Roosevelt and Jackson ended the season with two wins and four losses.
