

Premium Stamp Firm Operating Locally

The Gold Arrow Trading Company, which furnishes premium trading stamps to merchants, has started operations in Medford, it was reported Saturday. The firm is registered with the state corporation commissioner, belongs to the Portland Chamber of Commerce, and has received the approval of the Jackson County Chamber of Commerce. The firm was organized in 1948, and now operates in 29 states. It has representatives in a number of Oregon cities, and several hundred clients for its premium stamps. A number of local merchants have signed up with the company. The stamps can be turned in for merchandise or service at any member store.
