U. S. Radio Amateurs Contact Russ Nations

Spokane (U.P.)—Amateur radio operators in this area report they penetrate the iron curtain of Europe regularly.

They say they have talked to Russian and Russian-controlled countries many times.

Ryder Chronic and Al Kern reported that recent talks with Russians were more friendly than before.

"Usually the Russians are rather brief on the air," Chronic said. "But one fellow I talked to in Moscow recently was pretty friendly. We talked for about 25 minutes."

Kern said:

"Most operators, even in the

Your Troubles Are Over

Medford, Ore., June 4—The worst trouble with a Davento or Bed Davento is that they are so uncomfortable, used as a bed or a davenport.

The new Daventolette that is now on the market for the first time has not one or two sets of springs, but is constructed with three complete sets of springs. They are padded with Latex instead of cotton. Without a doubt the new Daventolette is the very best bed davenport now offered.

This Super Daventolette is built here in the Rogue Valley and is sold direct from the manufacturer to the public at wholesale prices. Greater savings are made when you buy direct at—

Radio Dial Lights

By Johnny A. n

For your Sunday listening: Our regular "Chapel of the Air" program moves today, from 9:45 p.m. to 9 a.m. For more than two years now, KVJC has brought you this 30 minutes of quiet reveries on Sunday and we hope you will continue to enjoy it at this new time.

That favorite of so many listeners... Ted Malone... will be coming your way this evening in another type of program... "Crossroads." With Ted's reading... and Rosa Rio's organ background... the "Ted Malone" show has long been an aerial favorite... and so, we're sure you'll enjoy this new series... "Crossroads"... every Sunday at 6:30 p.m.

A change in the adventure department: With the coming of the summer season, here is how the Youngster's program line-up will be affected. On Monday and Wednesday at 5:30 p.m. it will be that hero of the comic pages and movie screens... "Superman".

On Tuesday and Thursday, this same time period will be filled by that regular of the year "Sky King"... and on Friday... it's the "Green Hornet". Fun house will be back, too, but just where we haven't found out yet.

Our apologies to two new comers to the valley... Bob Glass and Russ Jamison. Sorry we didn't get you in this column before but we hope the stay here will be long and pleasant, just the same.

RENT RISES SHARPLY

Madison, Wis., June 3—UPI—Homer McCoy, a war veteran, complained today that his landlord raised his rent from \$28.75 to \$300 a month as soon as state rent controls were lifted.

Howard School Sets Summer Roundup

Howard Parent-Teacher association will sponsor a summer roundup at Howard school on Tuesday, June 6, for all children who will enter school next fall for the first time.

The roundup will be held from 1 to 4 p.m., and parents are asked to telephone 2,463 for appointments which may be made up to noon Tuesday. Dr. A. Erin Merkel, county health officer, and Mrs. Blanche Frisbie, county health nurse, will give the physical examinations.
