

## Red Cross To Expand Home Nursing; Courses Slated

Miss Nora Marco, Red Cross national field representative and regional consultant, is a Medford visitor this week, in connection with a ten-fold increase in the American Red Cross home nursing program.

This tremendous increase is in response to requests from the national defense establishment, Miss Marco said, and is one aspect of the expanded civilian defense program now undergoing preliminary organization.

**To Train Nurses**  
First step in this home nursing training program will be a five-day training course and conference for graduate nurses, Miss Marco explained. The nurses, who have been asked to take the course voluntarily, will receive instruction in methods and principles of teaching home nursing, which together with their professional training will equip them to prepare others for home nursing in emergency conditions, as well as ordinary illnesses.

## Queen of Rosaria Receives Royal Crown

Portland, Ore., June 8—(U.P.)—Dorothy Jean Anderle, 17, last night was crowned queen of the 42nd annual Portland Rose Festival at coronation ceremonies in Multnomah Civic stadium.

Royal Rosarian J. O. McCurdy placed the crown of diamonds, zircons and rubies atop the Cleveland high school student's head to mark the beginning of the five-day celebration.

Highlights of the celebration included a 1,000-voice student chorus led by Songstress Margaret Whiting, in this year's Festival theme song, "It Happened at a Festival of Roses."

**Swim Show Cancelled**  
The Santa Monica, Cal., Aquettes and a number of local swimmers did not appear because of cold, rainy weather. They were to perform tonight in a huge portable tank constructed on the stadium floor. However, today's weather forecast again was discouraging as the weatherman said light rain might fall all day and tonight.

The forecast also was gloomy for tomorrow, the day of the colorful Rose Festival parade.

## Gold Hill Seniors Receive Diplomas

Gold Hill, June 8—Baccalaureate service for the high school senior class was held in the gym Sunday night. Chorus members were directed by Charles Cook and the invocation was given by the Rev. H. A. Dierdorff, the sermon by the Rev. George Bolster of St. Mark's Episcopal church, Medford, and the benediction by the Rev. Lyman D. Stiles.

## Salem Man Makes Speakership Bid

Salem, Ore., June 8—(U.P.)—Rep. John Steelhammer of Salem today claimed he had more than a score of house members pledged to back him in his bid for the speakership.

Thirty-one votes are required to elect. Only other serious contender is Rep. Giles French of Sherman county.

Dead line for Sunday Classified is at Noon Saturdays.

Several nurses have already registered for the five-day period, Miss Marco said. Instruction will be given from 9 a.m. to 5 p.m. starting July 12. Miss Della Morgan, San Francisco, Red Cross nursing field representative for Oregon, will conduct the classes.

**May Register**  
Nurses interested in taking the course, and later giving instruction in home nursing, may contact the Red Cross office here, telephone 2-4405.

The nurses training, and the courses to follow for Medford residents, are part of the Red Cross continuing program in home nursing, although a great deal more emphasis is being placed on it now than in the past. The subsequent courses will be given in a series of six two-hour lessons three times a week. They will begin about July 30.
