Sufficient Reason

Detroit, Mich., June 9.—(U.P.)—Martin A. Larson, 53, sought a divorce today on the grounds his wife Elaine, 35, kept an alligator in the bathtub and bought a \$50 monkey despite apartment regulations against pets.

Rogue R. Firemen Postpone Dance

Rogue River, June 9.—First of the Firemen's benefit dances which was scheduled to be held June 10 in the Rogue River city park, has been postponed until warmer weather.

At the regular Wednesday meeting the dance committee reported \$150 cleared on the annual Firemen's ball given June 3. Fire Chief Gelvin then delivered a check which was presented to the fire department by Dr. and Mrs. A. P. Klomhaus in appreciation of the volunteer firemen's services in saving their home Saturday night when their shop burned.

The generous donation was more than enough to pay off all indebtedness of the department, which members voted to do at once.

When the rural fire department was organized in 1947, \$1,500 was borrowed to build the concrete dance pavilion in the city park and each member of the department signed the note. The greater part of the debt has been paid with revenue from the dances in past summers and \$1,000 worth of equipment has been purchased also.

With easing of the financial strain the firemen at once began planning a better and more systematic training program. Beginning in July the first and third Wednesdays will be training nights. The second Wednesday will be devoted to business and lessons. The fourth Wednesday is to be social and recreational evenings, which they feel will be an added inducement to gain new members.

A picnic barbecue at the city park for firemen and their families was suggested for the first social evening.

Marion, Mich.—(U.P.)—Neighbors of Mrs. Emma Baker called police when they saw a light in her basement, because they knew she was out of town for the winter. Officers found that sparrows, entering the basement through a broken window, had turned on the lights by perching on a pull chain.

County Farm Resident Killed in Tumble

Portland, Ore., June 9.—(U.P.)—Frank Lease, 79, of the Multnomah county farm, was dead upon arrival at Providence hospital here last night from an apparent fall off a highway.

Lease was unconscious when discovered in a culvert beside U. S. highway 30 overpass in Troutdale. County police said he apparently fell from the highway.

Deputy Coroner Earl Shade ordered an autopsy to determine the cause of death.

Lease has no known relative.

Sulfa drugs now are being used successfully in protecting fruits and plants against disease.
