Salt Lake Boxer To Met Dunlap In San Francisco

San Francisco, June 10—(U.P.) Promoter William P. Kyne presents another triple-header fight card in the Civic auditorium on Monday night featuring some of the west's top-notch boxing talent.

The headline card sends Young Rex Layne, the Salt Lake City whiz who lost the only fight of his career here to Grant Whitlock two months ago, against hard-hitting Bob Dunlap of Alameda.

This 10-rounder could end very fast—because Dunlap is rated one of the toughest punchers in the west—and Layne isn't far behind.

The second 10-round sends Grant Butcher, former AAU champ, against huge Andy Walker. In the third main, Sal Perea faces Baby Ike in a middle-weight match.

Dallas, Tex., June 10—(U.P.) Defending national N. C. A. A. champion Texas and the University of Arizona each placed three men on the N.C.A.A. all-district 6 baseball team announced today.

Texas, which won two of three games against Arizona this week for the district title, placed pitcher Murray Wall, second baseman Kal Segrist and third baseman Ben Tompkins.

Arizona placed shortstop Chet Vasey, outfielder Lloyd Jenney and catcher Bob Murray.

The remainder of the all-star nine:

Stanford Crew To Enter Ohio Regatta

Stanford, Cal., June 10—(U.P.) Stanford university's crew will leave tonight via air for Marietta, O., to compete in the national intercollegiate regatta next Saturday.

The "orphan" crew finally collected enough money to make the trip after a month-long campaign. Stanford university does not officially list rowing as a college sport and therefore members of the crew had to do their own financing.

More than \$3,500 was collected to make the trip possible.

Montana Resigns From Pacific Coast Conference

Missoula, Mont., June 10—(U.P.)—Montana State university announced today it would resign from the Pacific Coast Athletic conference tomorrow to join the Skyline Six conference.

The university said its application to enter the Skyline Six was unanimously approved at Salt Lake City today.

MSU President James A. McCain said he received word late this afternoon from Commissioner E. L. (Dick) Romney of the Mountain States conference that Skyline Six officials had approved Montana's application and also that of the University of New Mexico.

Dr. J. Earl Miller, MSU faculty representative to the P.C.C., will present Montana's official letter of resignation to the P.C.C. conference which opens tomorrow in Victoria, B. C.

Whitman Football Mentor Switched

Walla Walla, Wash., June 10—(U.P.)—Archie Kodros, head football coach at Whitman college, has been named director of athletics at Whitman, it was announced today.

Whitman President Chester C. Maxey said Kodros would succeed Prof. Leo Humphrey, acting director for the past year.

Kodros came to Whitman in 1948 as line coach under Dave Strong. When Strong resigned last summer, Kodros stepped up to the head coaching spot.

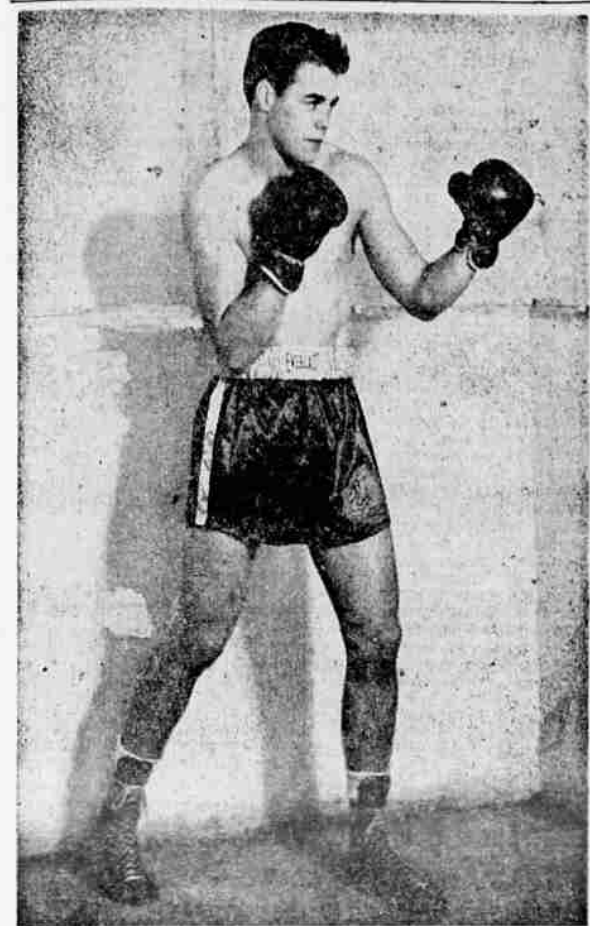

Proximity Wins Golden West Trot

Arcadia, Cal., June 10—(U.P.)—Proximity, the greatest trotting mare of all times, scored a smashing three-length victory today in the \$50,000 Golden West trot and set a new world's record for a mile and a quarter.

The brilliant, eight-year-old mare had to overcome trouble in the last half-mile when pocketed on the rail but still had enough drive to circle the field of eight and come on to win over Chris Spencer, winner of last year's Golden West trot.

SIR BUTCH WINS

Albany, Cal., June 10—(U.P.)—Clifford Moore, Jr., Butch was handed the winner's purse in the \$20,000 added Golden Gate handicap at Golden Gate fields today after Yolo stable's Great Circle won by a nose only to be disqualified for interference.

California Crew Downs Wisconsin

Madison, June 10—(U.P.)—A powerful California crew, working smoothly off a quartering wind, beat off a last-minute Wisconsin rally to win by half a boat length on choppy Lake Monona today.

The Golden Bears, national intercollegiate champions, ran up a quarter-length lead at the beginning of the 2,000-meter course on a 34 beat. But the determined Badgers upped their stroke to 36 and finally to 37 to gain a mid-point lead of half a length.

The pace was too tough for Wisconsin, as the smooth-operating California crew eased past, first a quarter boat length, then a half—and then a full length ahead—until Wisconsin's final sprint chopped it down to a third of a length at the finish.

Sweet Home Quits Oregon State League

Albany, Ore., June 10—(U.P.) The Oregon State baseball league announced today that Sweet Home has dropped out of the loop because of illness among team managers and other officials.

Five teams remain in the league, including Eugene, Corvallis, Silverton, Bend and Albany.

Word that Rogue River high school may become a class A school for athletics starting this coming winter brings up the question of just what kind of a set-up there will be in scheduling games, particularly because of the long distance and expenses involved.

It is well known that neither the smaller A schools on this side of the mountains nor Klamath Falls on the east side are over-enthusiastic about traveling back and forth.

Isn't that the teams don't want to play each other but there is a big expense involved plus time in traveling that with both basketball and baseball is hard to make up in drawing out fans to see games and thus getting revenue.

With addition of the Chiefs, the local district would include Medford, Ashland, Klamath Falls, Eagle Point, Central Point, Grants Pass, Cave Junction and Rogue River.

Ashland will get an ambitious and far-reaching summer recreation program for its youth underway June 19. It will include craft classes,

boxing for boys, tumbling, archery, squaredancing, horseback riding, volleyball, tennis, horse shoe pitching, fly casting, swimming and possibly badminton, just to name a few on the list.

That is quite a program for a city the size of Ashland and it is to the credit of the city also that so many organizations such as the Red Cross, Junior Chamber of Commerce, the school department, public library, golf course, Grange, American Legion and other organizations are helping.

We see by United Press dispatches that Medford's Roonie Lee of local Dodgers pitching fame has been beaten to the big leagues by Vernon Law who hurled for Santa Rosa in 1948. For a time we thought the ex-Far West leaguer from Medford would be first.

Law, a righthander, was with New Orleans last year and this season has been called up to the Pittsburgh Pirates of the National league. Bob Chienes was sent back to New Orleans by the Pirates to make room for Law. Incidentally, Lee has been listed by Branch Rickey of the Dodgers' organization as good trading material so you may not see the former local boy playing for the Brooklyn team but we'll wager more than a little that he will be in the "big time" before many seasons.

Injury to Manager Tommy Nelson's foot in last Thursday night's game with Redding certainly just about breaks "the camel's back" as far as the Medford Rogues' immediate prospects are concerned. Even if the local pilot gets back into the lineup it probably will not be soon.

The local manager was hurt when a Redding player sliding into third base evidently hit him hard on the right foot. Just another tough break for the Rogues who certainly have had their share of the same this season.

We haven't been to a motorcycle field meet in some 20 years or since living around Port try to climb a butte near the land when the cyclists used to city. If you have never seen such an event, we suggest you go to Wagner gap this afternoon to see the cycles race.
