Jacksonville Club Holds Installation; Projects Reviewed

Jacksonville — Installation of officers was held at the last meeting of Jacksonville Garden club, held in the outdoor living room of Mrs. Frank Janoski of Jacksonville. Twenty-five members attended the meeting, the last of the season.

Taking office were Mrs. R. N. Finney, president; Mrs. W. W. Winningham, first vice-president; Mrs. Lee Port, second vice-president; Mrs. Otto Heckert, secretary; Mrs. Lawrence Luy, treasurer; Mrs. J. B. Noble, historian; Mrs. Paul Godward, librarian.

Mrs. R. T. Nichol, vice-president of the Siskiyou district of the Oregon Federation of Garden clubs, installed the officers, assisted by Mrs. Luy.

As each officer was installed she was presented with a corsage and then lighted a candle in the multi-colored flower and candle arrangement, the color being indicative of her duties.

The retiring president, Mrs. Luy, was presented a corsage and the official garden club pin. Mrs. Nichol and Miss Claire Hanley, state conservation chairman, were each presented corsages. Mrs. Luy gave each of her officers a growing plant from her extensive collection of chrysanthemums, and thanked each for her support during her term.

Annual reports were read and discussed. These included reports on two special projects of the club, the Jacksonville Memorial park, which commemorates Jacksonville's war dead, and the poison oak eradication plan in the Jacksonville cemetery. It was said that the 245T treatment has been very effective and with one or possibly two follow-up applications the poison oak will be a "pest of the past."

Various committees were named and plans discussed for next year's year book, and for the club's participation in the Jacksonville Gold Rush Jubilee, to be held the first Saturday and Sunday in August this year.

A potluck luncheon was planned for July 20 in the home of Mrs. Kenneth Farley on the Jacksonville highway. This will replace the annual picnic.

Mrs. Ray Coleman and Mrs. Lee Greenmeyer assisted the hostess for the installation meeting. Mrs. Luy and Mrs. Finney poured.

Club members state "We feel we have had a pleasant and profitable year under the gracious guidance of Mrs. Luy and her officers, and are proud that we have had two state officers in our group."
