Paris says and Paris knows...the fashion accent is on fingertips this season... (colorless nails are as drab, as dated as last year's hat!). And Paris says your lips must blaze with brilliant color. Today when fashion begins with color, would you choose any color without the stamp of Revlon genius? Wouldn't you know we'd choose this moment to bring you Revlon's double-beauty bargain? Get your "Match Maker" today.

Revlon True Nail Enamel, never-equalled in quality and fashion colors.

Revlon Adheron, the glide-on base coat that assures a longer-lasting, lovelier manicure.

Revlon "Luscious" Lipstick stays on longer than any lipstick we've ever seen.
