says Mrs. J. J. Morse

1. "Many people can hardly believe it when I tell them I have a 20-year-old son and two teen-age daughters. It's because I have a youthful appearance. And, I feel that a lot of the credit for my young look goes to my Ironrite Automatic Ironer."

"I've had this wonderful machine for several years, and it's the greatest health, labor- and time-saver I own."

"My Ironrite eliminated long, painful hours of standing at an ironing board. It's simply a joy to sit down, just guide the clothes across the forming board and relax while I iron."

"I've told lots of friends how Ironrite has saved me time and energy and helped me keep looking younger. My advice is—look at Ironrite today."
