Reorganization of Community Chest Board Nears End

Reorganization of the Jackson County Community Chest board of directors has been virtually completed, according to officers of the organization. Members yet to be appointed include the 1950 general campaign chairman, and the chairmen of campaign committees in localities where a separate committee is organized.

All participating agencies are represented on the board under the new plan, it was pointed out. The board functions throughout the year to assure a fair distribution of funds raised, according to the need of the various agencies. The board also has general supervision of planning the fund campaign in the fall.

Considers Problem
F. C. Bash, president of the Chest, said Saturday the board has given thoughtful consideration to the budget problems of

the various organizations, and is making every effort to make the Community Chest more efficient, by adopting many of the suggestions made in the past by residents of the county.

Medford Man Named To Credit Bureau Job

The Medford office of Credit Bureaus, Inc., has announced the appointment of Robert Rice, Medford, to act as manager of customer relations here.

In making the announcement, R. W. Zumwalt, manager of the customer relations division at the Salem office, said the new position was created here in an effort to provide more efficient service to the credit bureau's clients in the Jackson county territory.

"This is one of the strongest boards of directors yet organized for any county in the state," Bash said, "and Jackson county has every right to be proud of the organizations they represent."

Plans Completed for Medford Dog Show

The Southern Oregon Kennel club met Thursday at the Roy Swan home near Eagle Point with a picnic supper preceding the meeting. Plans were completed for the dog show on Sunday, Sept. 3, on the Medford high school football field. The last show was held on the Walter Phillips field in Ashland.

The club was affiliated with the kennel clubs of Klamath Falls, and Humboldt county, California, and the new association will be known as the California, Oregon Dog Show circuit, with shows to be held at Klamath Falls September 2; Medford, September 3, and Eureka, Cal., September 4. The same judges will serve at all three shows under Mrs. Helen Marling, Portland, superintendent.

It is expected that this association will draw a large entry of dogs from outside territory. Applications for entry blanks are being received by Mrs. John Downs, P. O. box 524, Medford, who will furnish blanks to anyone wishing to enter his dogs.

POLICE DIG IN
Sandersville, Ga.—(U.P.)—Law enforcement officers in this small Georgia town are getting set for any sort of trouble from the looks of things. A concrete building, similar to battlefront pillboxes, has been built in the middle of town. It will be used by the night police.

Our heartfelt thanks to all who extended comforting sympathy and help in our recent sorrow. For the beautiful service, floral offerings, and other kindnesses, we are deeply grateful.
