

## .... AROUND HOLLYWOOD

By VIRGINIA MacPHERSON  
United Press Correspondent

Hollywood, June 22—(U.P.)—Anne Revere, Hollywood's favorite "mother," complained today she can be as sexy as the next 40-year-old actress—and climbed into a clinging sarong to prove it.

She did, too. The Revere chassis may be two score years along, but it's holding up well. The gal who has to pad herself to be a movie maw turns out to be willowy in some places and pleasingly un-willowy in others.

Even the cameraman was goggle-eyed. Yep, there was a photographer around. When Anne Revere poses for "cheese-cake," brother, that's news.

For almost 40 movies now, the dignified Miss Revere has been stuck in a rut as a movie mother, and old maid aunt, a school-teacher, etc.

Does right well at it, too. Even if she's never really been a mother, an old-maid aunt, or a schoolteacher. Even won herself an "Oscar" and three nominations. She's Getting Sick

But she's getting doggone sick and tired of walking into her dressing room looking like a healthy woman and coming out three hours later with padded bulges, penciled-on wrinkles, and messed up hair.

### Shot Wounds Youth; Condition Said Fair

Salem, Ore., June 22—(U.P.)—Twelve-year-old Howard Clemens, accidentally shot last night by a 32-year-old companion with a .32 revolver that "wasn't loaded," was in fair condition this morning as Salem General hospital attendants said the boy showed some improvement.

Howard was shot in the left side of the chest by Ronnie Kucera at the latter's home. City police ruled the shooting as accidental, and Ronnie said he "was certain the gun wasn't loaded" when he pointed it at young Clemens.

### Compromise Rent Bill Approved by House

Washington, June 22—(U.P.)—The house today approved a compromise bill to continue rent control on a local option basis for up to 12 months more.

The vote was 174 to 145. The measure was sent to the senate where favorable action also is assured.

The present rent law expires June 30. There was no fight as the house put its final okay on the compromise bill drafted by a conference committee after house and senate passed extension bills in slightly different form.

**EARTHQUAKE RECORDED**  
Cleveland, O., June 22—(U.P.)—The seismograph at John Carroll university early this morning recorded an earthquake lasting for two hours located near the New Guinea or the East Indies according to Dr. Henry Birkenhauer.

She wants to act her age. "I want to be sexy," she said. "I can do it as well as a lot of actresses in this town. Some of the women who play love scenes every day are even older than I am."

And if she has to wiggle into a skimp sarong to convince her bosses she can play Rosalind Russell comedy, muttered Miss Revere, so all right, she'll wiggle.

#### Works Shot

Edith Head, Paramount's designing cutie (of clothes, that is) got wind of Miss Revere's desperation and offered to stitch up just the thing to open Hollywood's eyes.

Miss Revere told her to shoot the works and Miss Head shot.

Came the big moment and there was Hollywood's stately "mother" tripping around in a little patch of flowered silk and a lot of bare skin and trying to look nonchalant about the whole thing.

Her measurements are something a lot of glamour girls would give anything for: bust—36; waist—26; hips—36.

"I'm in condition," she blushed.
