

Seven Local Grid Players Named for Shrine "B" Tilt

Four Jackson county Class B high school football players were selected as regulars for the West All-Star team which will play the East All-Stars August 30 in Pendleton in a Shrine benefit game, according to United Press. Three other local B school stars were selected as alternates.

The list of regulars included Max Hite, Phoenix, end; Junior Taylor, Jacksonville, end; Keith Bayne, Phoenix, tackle, and Leo Schmelzer, Phoenix, guard. Alternates are Ron Craig, Jacksonville, line; Nolan Day, Phoenix, back, and Jim Wehren, Rogue River, back.

Earlier this year Jim Boulter, Rogue River end, was named as a regular end on the Shrine All-State Class A team, although he participated for a B school last season.

Portland —(U.P.)— Forty-eight players were selected here Saturday for the East and West All-Star squads in the first annual Class "B" Shrine hospital football game.

The contest, patterned after the annual Oregon and Portland All-Star game here, will be played Saturday night, August 30, at the Roundup stadium in Pendleton.

Dividing line for the two squads is the Cascade mountains. Head coach of the East squad will be Dan Rollins of Walla Walla, champions of the Class "B" playoffs last year. His assistant will be Tom Johnson of John Day.

Bill Patterson of Gervais, runner-up for the title, will be head coach of the West team, assisted by Jack Woodward of Phoenix.

Proceeds of the game will go to the Northwest unit of the Shrine's Hospital for Crippled Children in Portland.

Elliott, Runnels Figured To Help Senator's Cause

Orlando, Fla. —(U.P.)— There isn't any pennant talk in the spring training camp of the Washington Senators, but Manager Bucky Harris believes that better times are ahead for his ball club.

He based that belief Saturday on what he called "two surprise packages I might come up with this season."

The No. 1 "package" as he calls it is Glenn Elliott, a south-paw pitcher, who failed to make the grade in a previous trial with the Boston Braves.

The Senators bought Elliott from Sacramento of the Pacific Coast League after he won 14 games while losing the same number in 1951. Harris went after the hurler upon the advice of Joe Gordon, manager at Sacramento.

The No. 2 package is short-stop James Runnels. "I wouldn't be surprised if Runnels wound up being our best percentage hitter in 1952," Harris said.

"He doesn't have power, but he is a line drive hitter and he came along fast last season. Remember that two years ago he was playing in a bush league in Texas so he's come very fast and still is developing. And there's nothing wrong with his fielding."

Oregon State Drops Duck Five 55-52

Eugene —(U.P.)— Oregon State college blasted the University of Oregon's hopes of gaining a second place tie with Idaho in the Pacific Coast conference Northern division by handing the Webfoots a 55-52 defeat here Friday night before 7,200 fans.

Oregon needed a sweep of the week-end "civil war" series to get the tie with the Vandals. Oregon State took control of the game in the third period as the Webfoots tallied only one field goal. Jack Orr tied the score at 28-28 and then the Beavers went ahead on Jim Padgett's field goal.

Oregon rallied in the closing minutes of the contest with the Beavers ahead 53-52. The Webfoots made three passes at the hoop but all failed to connect. A long field goal by Orr just before the gun sounded gave Oregon State the 55-52 victory.

The Beavers hit a little over 37 per cent of their shots while Oregon connected on 31 per cent of its shots.

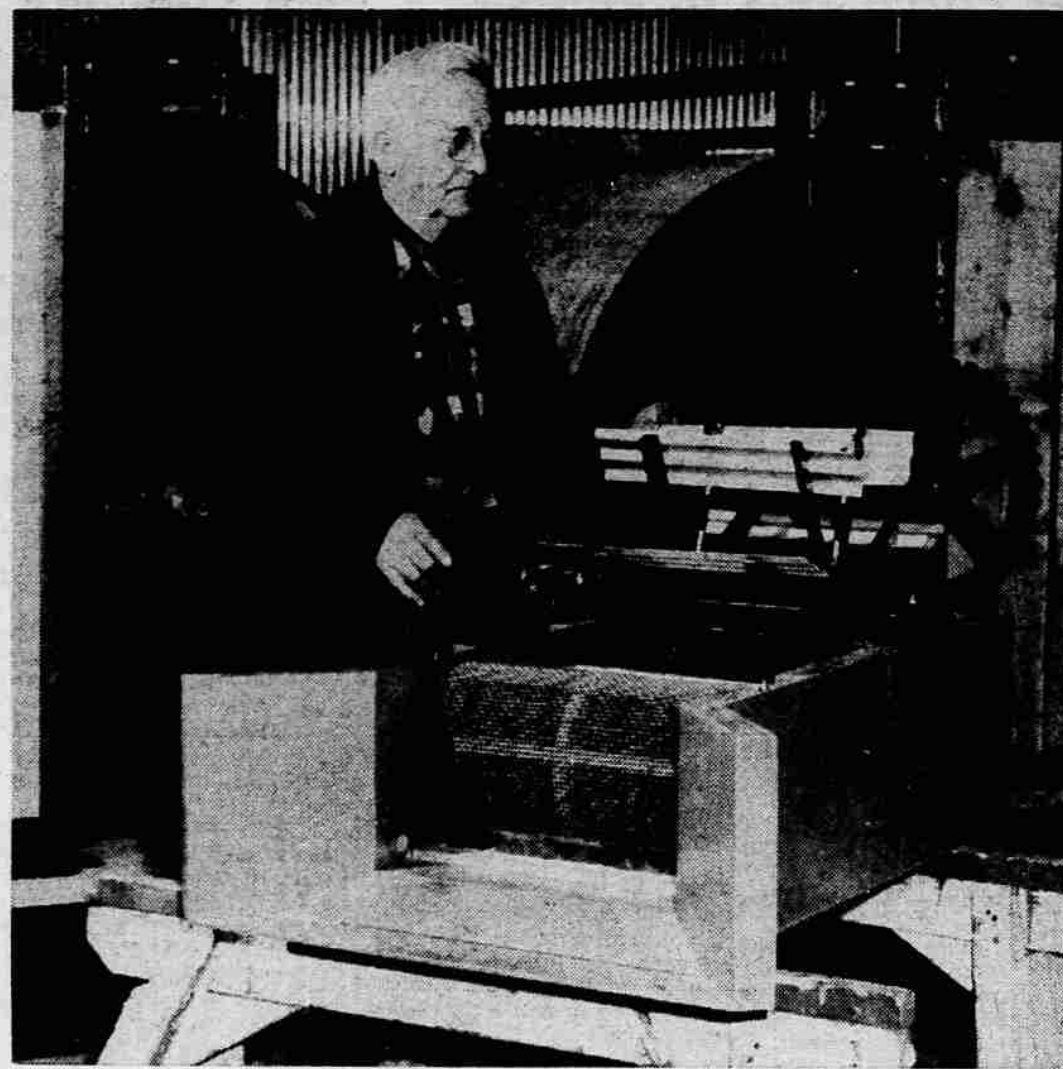

Oregon held a halftime lead at 28-25. The Webfoots' Chet Noe won high point honors for the evening with 17 points and Tex Whitman sparked the Oregon State attack with 14.

British Columbia Wins Rugby Contest With Cal Berkeley, Calif. —(U.P.)— The University of British Columbia rugby team defeated the University of California 8 to 3 Saturday to win the opening game of the World Cup series.

British Columbia scored all of its points in the first half on goals by Forward Frank Gower and Wing Dave McFarlane. Front Row Bill Mulholland successfully converted after McFarlane's goal, but missed in the other attempt.

Cal, defending the World Cup, failed to score until midway in the second half when Les Richter booted in a 40-yard penalty kick for the lone Bear tally.

DUTCH PITCHER GOOD Phoenix —(U.P.)— Hannie Urbanus, the 24-year-old pitcher from Holland, retired all six batters he faced Friday as the New York Giant regulars defeated the Yannisians, 2-0, in a six-inning intra-squad game.

FISH SCREEN BUILT AT CENTRAL POINT—Conservation Agent Bert Peck is shown looking over a model rotary fish screen at the new state game commission plant at Central Point where an open house was held on Thursday. The paddle-wheel rotates the screen in a self-cleaning action that means it can be unattended for long periods. Screens in various sizes are manufactured at Central Point for the commission and are placed strategically along streams throughout Oregon to keep fish from

entering irrigation diversions. The Central Point plant with Peck in charge, does various mechanical and engineering jobs for the commission in addition to screen manufacture. All fabrication and assembly work for screens is done at plant. The 50 by 120-foot aluminum building is designed for rapid assembly. It has welding and carpentry shops and large storage facilities for materials. Rotary fish screens cost from \$210 to \$1,200 each, depending on size and location. More than 500 are maintained by the game commission. —(Brainard photo)

Vejar Decisions Fizzle Pruden

New York —(U.P.)— Chico Vejar, the "come-on kid" from Connecticut, may be matched with Art Aragon at Madison Square Garden on March 28 because of his excellent performance in "coming on" to beat welter-weight Fittie Pruden before 6,864 at Madison Square Garden Friday night.

Vejar of Stamford, Conn., weighed 149½ pounds; Pruden of St. Catharines, Ont., 147½. Swarthy, black-haired Chico was floored by two left hooks to the chin at the close of the first round. He was on one knee, and the count had reached "six" when the bell rang to end the round. But he came on to win a "majority" 10-round decision over the aggressive, fair-skinned Canadian.

FAIN SIGNS West Palm Beach, Fla. —(U.P.)— American league batting champion Ferris Fain Saturday signed a 1952 contract for \$25,000 making him the highest paid member of the Philadelphia Athletics since Jimmy Fox earned \$36,000 in 1953.

Miche Wins Santa Anita Handicap After Foul Disqualifies Intent

Arcadia, Cal. —(U.P.)— Mrs. John Payson Adams' Miche won the Santa Anita handicap Saturday by a length, was declared the winner by the stewards who ruled he was fouled by Intent in the run down the stretch.

Prep Playoffs To Be Studied

Ashland —(U.P.)— A group of high school officials will meet at Eugene March 22 to discuss all phases of state athletic post-season tournaments and playoffs. Roland Parks, chairman of the committee, said here Saturday Parks, chairman of the superintendents and principals committee, said the body is merely an organization to make recommendations.

He said that neither the superintendents and principals association nor his committee had taken any steps toward eliminating the class A football playoffs. He added that his committee doesn't have the power to legislate high school athletic rules.

"SCOOTER" IN St. Petersburg —(U.P.)— Phil Rizzuto ended his holdout Saturday by signing with the New York Yankees for \$45,000. Rizzuto's new contract makes him and 21-game winner Vic Raschi the highest paid members of the world champions.

Ted Williams Inks Pact But Headed For Marines

Sarasota, Fla. —(U.P.)— Ted Williams signed a one year contract with the Red Sox Saturday just as he expected to be with the team all year instead of anticipating his recall to the Marine corps May 2.

While nothing ever is announced by the Sox as to the size of his salary, it was presumed that he was given the same contract as last year which reputedly was for \$90,000. It will not be worth ten cents to him, if he goes into the service.
