Klamath Falls (Special from the Herald and News)—Bonanza pushed the highly rated Rogue River team into overtime last night before the Chieftains squeaked out a 48-47 victory in the first game of the District 5-B playoffs at Henley.

The Rogues had the upper-hand in the first half and, with sharpshooter Jim Boulter leading the way, the Jackson county champs left at intermission time with a 26-18 bulge. But Irwin Crume and Julian Hood waxed warm for Bonanza in the third quarter as the Antlers pulled to within one point of Rogue River, 33-34, going into the hectic last frame.

**Kille Hero**  
Bonanza went ahead 38-36 early in the fourth but Byron Kille, the eventual hero of the piece, tied it twice at 38 and 40-all. With the count 45-43 for Bonanza, Kille slipped in with a lay-in with five seconds left to send it into overtime at 45-all.

Boulter's free throw put the Chiefs ahead 46-45 but Crume came back with a side shot to give Bonanza a one-point lead. Kille again cinched it for Rogue River with a big two-pointer from the key. Boulter and Crume each scored 19 points.

The teams met again Thursday night. A win for Bonanza would send the third and deciding game to Grants Pass. Rogue River could clinch a state berth with a repeat.

Jack Long is the city building inspector, he said.

Dog owners in the city are reminded that dogs are not to run at large during the gardening months of April, May, June and July. The county dog control officer will check on non-licensed dogs this month, the councilman said.
