National Quartet To Sing in City For Civic Group

The National Male quartet will sing here Friday, March 14, as the last concert of the season for Jackson County Civic Music association. The concert will be in Medford senior high school auditorium, beginning at 8:15 p. m.

The quartet has a repertoire which is said to distinguish it from every other similar group in the country.

The men sing operatic numbers, American ballads, familiar classics which are arranged especially for them and selections from the outstanding composers of the modern school. They also vary their straight quartet numbers with trios and duets.

Each member of the quartet has had recognition as an individual artist. Attilio Baggione, tenor, made his operatic debut at the Teatro Real dell'Opera in Rome. Since then he has sung leading roles with the Chicago Opera company. Gene Tobin, tenor, started at the Philadelphia La Scala Opera company in 1947 and has sung in concert, opera, radio-television and on Broadway, the latter including "Allegro," "Finian's Rainbow" and "Love Life." Both Vernon Sanders, baritone, and Bruce MacKay, bass, made their operatic debuts with the San Francisco Opera company, and sang six months of Gilbert and Sullivan repertory there before they headed east.

These four singers have in common their love of ensemble music and public response has already confirmed their conviction that there is a large audience for the type of music they present.
