Chiefs Stop Mapletons Win Streak

Salem — (U.P.) — Rogue River of Jackson county and Knappa of Clatsop county won their ways into the Saturday night finals of the Oregon state Class B high school basketball tournament with Friday night triumphs.

Knappa earned its final berth by defeating host school Sublimity 49 to 40 in B tourney play last night while Rogue River knocked over Mapleton 46 to 42 to become the other finalist.

Wallowa Friday won the right to fourth place by virtue of a 52 to 48 win over Powers in the consolation round. Echo eliminated Culver by a 73 to 39 count, which tied the tournament's team scoring record. Mapleton and Sublimity got third place play-off rights.

Mapleton's loss was its first in 28 games. Rogue River's Byron Kile led the winner's attack with 14 points while John Peckham was high scorer for Mapleton with 12 points.

will seek the NAIB basketball championship Saturday night, in a battle with Southwest Missouri State of Springfield.

The Missourians, seeded eighth at the start of the week-long toughest collegiate basketball test in the nation, roared into the finals Friday night with a sparkling triumph over previously undefeated Southwest Texas State of San Marcos, 70 to 67, in a double overtime contest.

Immediately after Springfield's success, fourth-seeded Murray surprised Portland, Ore., university, 58-57. The Kentuckians staved off a closing rally by the far westerners, who had supplied the tournament's No. 1 upset in the quarterfinals, by defeating defending champion and top-seeded Hamline of St. Paul.

Murray jumped to a 35-27 halftime lead, held a 45-42 edge when the final quarter got under way and Portland, desperate despite its rally, never was able to catch up.

SPORTS BULLETINS

Buffalo, N. Y. — (U.P.) — FBI man Fred Wilt sprinted the Bell lap tonight to win the mile invitation race in a breeze at the 174th Regimental Track and Field games here. Wilt's time was 4:10.1, almost a full second slower than the time turned in last year when his perennial rival, Don Gehrmann, nipped him in the final lap. Gehrmann had been scheduled to compete this year but was forced to withdraw due to illness in his family.

New York — (U.P.) — Unseeded LaSalle, making up in speed and resourcefulness for what it lacked in height, trimmed Dayton, 75 to 64 tonight at Madison Square Garden to win the National Invitation Basketball tournament and a berth in the Olympic trials.

Ace Cardinal Rookie Reclassified to 3-A

St. Petersburg, Fla. — (U.P.) — Wilmer (Vinegar Bend) Mizell, most publicized St. Louis Cardinal pitcher since Dizzy Dean, said Saturday that he has been reclassified 3-A.

Mizell, who struck out five and did not allow a hit in three innings when he made his first appearance of the spring against the Boston Braves, said he had received notification from his Mississippi draft board of the change in classification.

Most ACE Suggested Regulations Already on NCAA, League Books

Chicago — (U.P.) — Most of the regulations suggested by the college presidents to reform intercollegiate athletics already were on the books of the NCAA or its member conferences, a survey showed Saturday.

Six of the 10 points in the American Council on Education program were covered by the National Collegiate Athletic Association code. Several others not listed specifically by the NCAA were included in conference rulebooks, and some of the points covered by the national group were more severely restricted by the conferences.

The only bans suggested by the presidents which were not covered by rules already in effect were the cancellation of post season football games and basketball tournaments, and elimination of spring football games and out of season basketball practices.

Moratorium Imposed
On the post-season games the NCAA had imposed a moratorium on its members to prevent any commitment for games after next New Year's Day, pending study by a committee of the evils of such contests. The ruling meant that no plans could be made for a 1953 national basketball tournament.

The NCAA and its conferences had restricted spring football practice to 20 sessions in 30 days and out of season basketball drills to 20 sessions in 24 days.

It will be possible under the presidents' rules to have out of season basketball drills starting November 1, before opening of the season. Likewise it will be possible to have post-season bowl football games on the first Saturday of December, as most schools finish their season before that date.

Weather Delays Hurt Cleveland

San Francisco — (U.P.) — After five straight postponements the Cleveland Indians gave up Saturday and Manager Al Lopez told his pennant favorites to buy themselves tennis shoes and report to the YMCA for an indoors workout.

Paul Lehner was the only hold-out on the squad. He asked for permission to work out in his bare feet.

Lopez admitted he was worried about what the long stretch of foul weather would do to his pitching staff.

Larry Doby left the squad Saturday to play with the major league all-stars when they meet the Hollywood Stars in a charity game today. Luke Easter originally had been scheduled for the spot, but was held back by a trick knee.

Purse Held, Probe Starts

New York — (U.P.) — Dan Dowd, executive secretary of the New York Boxing Commission, began investigating Saturday the deplorable performance of welterweight Lester Felton, a "television substitute" who was disqualified in the sixth round at Madison Square Garden Friday night.

Meanwhile, Felton's purse of approximately \$4,700 was held up.

Yankee Catcher Escapes Injury

Miami, Fla. — (U.P.) — New York Yankee Catcher Yogi Berra escaped serious injury Saturday when he stumbled over first base and was carried off the field in the first inning of the world champions' scheduled game with the Brooklyn Dodgers.

The game was called before the Yankees finished batting in the first inning because of high winds and rain.

Berra collapsed over first base as he tried to beat out a double play ball in the first inning. He was carried off the field and taken to a hospital for x-rays. Infielder Billy Martin had suffered two broken bones in his right ankle only a few days previously.

Berra was found to be suffering from a sprained ligament and a ruptured blood vessel in the ankle. He is expected to be sidelined several days.
