

Detroit Beams Over Houtteman

Bradenton, Fla.—(U.P.)—The Detroit Tigers are beaming because Art Houtteman seems ready to reclaim his place as one of the American league's top pitchers.

The 24-year-old right-hander, back on the baseball firing line after a year in the Army, proved with a fine seven-inning chore Tuesday against the Philadelphia A's that he is nearing the form that won 19 games in 1950. Top winner of the Tiger staff during his 1951 absence was Virgil Trucks with 13.

Houtteman allowed only four hits to pace the Tigers to a 3-1 victory.

NARDICO FAVORITE

Cleveland—(U.P.)—Danny Nardico of Tampa, Fla., was a slight favorite Wednesday over Dick Wagner of Portland, Ore., in their 10-round feature bout on Wednesday night's card at the Cleveland Arena.

Handlers, Owners Expected To Begin Arriving Today For Retriever Field Trial

Handlers and owners were to begin arriving in Medford today with their dogs for the points field trial being held by the Rogue Valley Retriever club on Friday, Saturday and Sunday at Hoover lakes, eight miles northeast of Medford.

Approximately 110 entries have been filed and retrievers will be brought from a good number of communities in California, Oregon, Washington and Idaho. Wisconsin kennels will be represented.

Competition for the dogs is scheduled to commence at 8 a.m. Friday with the derby stake for dogs up to two years. The qualifying stake will follow the derby event. On Saturday open all-age rivalry is scheduled. An amateur all-age stake will follow late Saturday or will start Sunday morning.

Van Dyke Trophy
Trophies will be presented for the top four places in each event. In addition a trophy will go to the best amateur handler. Vern Van Dyke of Lamport's Sporting Goods store is donating this award.

The club is obtaining pheasants from the state game commission. As many as 150 of these birds may be used. Those which are shot will be sold at the grounds to anyone who wishes to purchase them. Pheasants not killed will be released in this area, retriever club members said.

The public is welcome to witness the trial free of charge. There will be a large parking area at the grounds which is in the Camp White district. Motorists may reach the grounds by traveling out Crater Lake highway and turning right in the camp area on broad, paved Avenue A. The route to the trial area will be plainly marked.

One of the highlights of the week-end will be the Saturday banquet at the Jackson hotel. It will start at 8 p.m. following 7 p.m. social hour. The public is invited and persons may make reservations by telephoning the Jackson county chamber of commerce.

Trophies will be displayed and those won up to that time will be presented. Kenneth Denman, Medford, game commissioner and member of the local retriever club, will be toast master.

The chamber of commerce has been clearing house for hotel and motel reservations for those coming here for the trial.

Vet Fishing Club To Have Meeting

The Camp White Veterans Fishing club will iron out its last organization wrinkles at a special meeting Friday afternoon, according to Ted Brown, sparkplug of the club.

Officers will be elected and a date set for the first outing. Several fishing trips will be made during the spring and summer. Fishing gear for non-compensated veterans is being donated by the public.

While the response so far has been generous, according to Ted, about 15 more outfits are needed to equip all veterans who are anxious to try their luck. Rods, reels, lines, hooks, etc. are needed and may be left at the following places: City hall, Central Point; fire department, 3rd and Front street, Medford; care of Chief Gordon Barker; fire department, care of fire chief, Ashland.

An ardent outdoors man himself, Ted Brown, who dreamed up this fishing club, is enthusiastic about the project. He feels the sunshine of Southern Oregon, the fresh air and exercise will do the veterans a lot of good and is in fact not only interesting diversion, but an excellent form of therapy.

San Francisco—(U.P.)—The San Francisco Seals have signed 210-pound Wilbert Hafee, former Wenatchee slugger and first baseman, Manager Tommy Heath said Wednesday.
