

The ... HOME APPLIANCE CO.

Your General Electric Dealer
IN COOPERATION WITH THE CRESCENT MANUFACTURING
COMPANY AND CROWN FLOUR COMPANY —

Are Pleased to Announce a

Cooking School

**With Your Two Favorite
Home Economists—**

Celia Lee of Crown Flour Mills and Marian Bell of the Crescent Manufacturing Co. are the two famous home economists who will conduct our school . . . These two able and popular home economists have appeared in Medford before . . . they'll let you in on new cooking tricks—short cuts—thrilling new recipes—new ways to cook meals fit for a king at budget-wise prices.

So don't forget Tuesday, March 25, at 2:00 p. m. . . . come on down and get in on the fun and remember—it's all FREE!

Top: Marian Bell of Crescent Manufacturing Company and, below: Celia Lee of Crown Flour Company, widely known home economists, who will conduct this cooking school Tuesday.
