Pickin' Pears News, Gossip, Comment From Camp White

By L. J. 'TICK' MALARKEY
Election of officers of the new Camp White Fishermen's club was held Wednesday. Horace Isaacs was named president; William "Cattfish" Clayton, vice-president; L. J. Malarkey, secretary, and Carl Logstad, sergeant-at-arms. An enthusiastic two hours was enjoyed. Ted Brown of Medford, originator of the idea, was present and helped Al Birman of the recreation department complete the formal organization.

The boys showered down with enough money to put in the neighborhood of \$18 in the "Kitty." Also Ted Brown and his family donated 10 splendid fishing outfits to the club. In addition to this Ted put up a cash prize for the biggest fish to be taken on the first formal excursion which is to be made to Emigrant Lake near Ashland April 5. Thursday Mr. Brown took the club officers to this lake and while there they made plans for the trip.

This fishermen's club has caught on out here. Plans for taking the wheel chair men on trips are now being completed. Another meeting has been called by President Isaacs for Monday, March 31.

Minnie Zahnow entertained the staff of Dominews Thursday afternoon. This fine lady brought with her an abundance of sandwiches and cup cakes which the boys gobbled up with relish.

The Arts, Crafts and Hobby fair is just four weeks from this Sunday. Displays are now being set aside and "Ty" Theory, who is in charge of these two departments, is encouraging the men in getting together their displays. It is thought that this year's exhibits will surpass the two previous ones.

The walks to the river are favorite jaunts these beautiful spring days. The scene is ever changing down there and the men who make the trek seem to never tire of it. One has even built himself a small cabin and now is putting in a garden.

Roland Parker is now helping George Parker with his ice cream stand. At one time Roland owned the fruit concession here. He had to sell it when he was laid up for several months following surgery. Leo Santerre bought the business.

All new officers of Camp White Chapter 32, Disabled American Veterans, were installed at an open meeting on the station Friday night. Grants Pass auxiliary were the hosts and provided the entertainment and refreshments. Ernie Collier, former commander of the chapter, will leave shortly after April 1 for the east.

Oregon World War II veterans here possibly number some dozen men. Right now they are making plans to spend their Oregon bonus money which dispatches from Salem say will start coming to them early in July. Some of them will finance discharges from here in an effort to see if they can make it on the "outside."

Andrew Pedersen, blind rug weaver, is packing up his gear and soon will leave for Salt Lake City, where he will make his home in the future. This past week John Bearden has been assisting "Pete" to get things together.

We enjoyed a visit with Vera Thompson of Portland. Mrs. Thompson is in charge of activities of the blind. She has been out to Camp White before and has been in Medford the past week in pursuit of her duties. Mrs. Thompson is also blind.

They come and they go. Each week quite a few men check out, but just as soon as they are gone others step in to take their places. The quota of 814 men is always filled. Many of those leaving are rehabilitated and are returning to private employment.

Arthur Murray, commander of World War I veterans barracks, is laid up in a wheel chair. "Murph" admits that he is not as young as he used to be and has to take things easy for a while.

To the Editor: I see by the March 27 paper the city officials found their extra "i" in the Willamette street sign and I would like very much to know why we have a "u" in Fairmont?

It seems we are finally legally on the map as Fairmont and records are all Fairmont and you please tell us why our street signs must be different? Our out-of-town friends come here and have difficulty in locating us.

It took us seven years to get a "Dead End" sign on our corner—how long will it take them to decide if we are to be Fairmont or Fairmount?

I'm just a curious soul and isn't there someone who can straighten me out on the subject?
