DEL MONTE *Spring* **GARDEN SHOW**

HAS THIS EVER HAPPENED TO YOU?

WHEN Nature responds to the mild weather of Spring every man gets the almost irresistible urge to plant a garden.

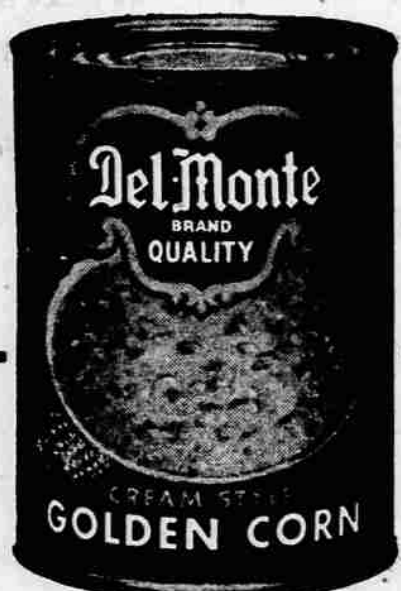

We do, but dogone it, nearly every year the same thing happens to that garden. The weather gets hot, the fishing gets good and then there is golf and baseball — well, you know the rest.

Why not a Del Monte Garden? Here are Fruits and Vegetables grown over the nation where soil and climate produce the best of each.

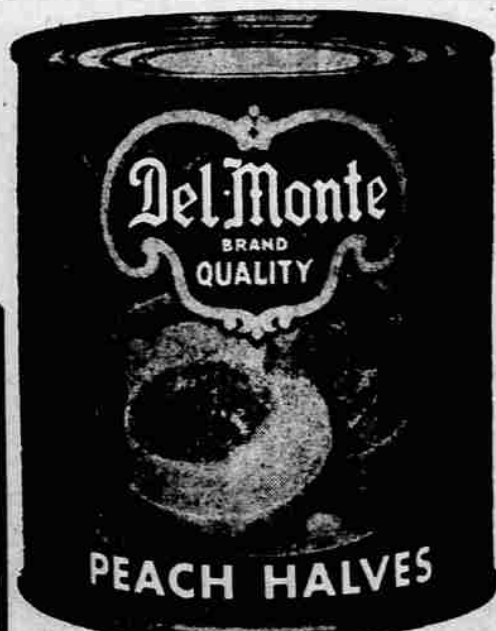

No spading—no planting—no weeding—no irrigating—they are ready on your pantry shelves. A finer assortment than you could grow in your own garden—and it won't interfere with fishing, golf or baseball.
