One April shower led to another...

We bumped umbrellas, head on. Together we said, "Sorry!" Our eyes met, and then . . . the rain came down in buckets! Thank goodness! For if it hadn't, we wouldn't have run for shelter together . . . and THAT April shower wouldn't have led to another, my bridal shower yesterday. And what a happy one it was! Instead of many small presents, there was one big package holding a set of International Sterling! To me, it will always be more than just the fine solid silver. It will be a symbol of our love . . . gracious, perfect . . . for always. You'll feel the same . . . SEE if you don't . . . Choose from more than a dozen glorious patterns in International Sterling.
