Taking advantage of Comet, errors and pitching wildness by Larry Bigham, Medford high baseball crew felled Crater 13 to 1 here Friday afternoon.

Medford got out in front early with four runs in the initial stanza. They added one in the third, another in the fourth then amassed seven counters in the sixth frame.

The Tornado utilized two bases on balls, a sacrifice by Connie Holzgang, a hit by Terry Maddox, two stolen bases, two

Oregon State Tops Ducks

Eugene—(U.P.)—Oregon State college played errorless ball Friday to win its sixth straight baseball victory, defeating the University of Oregon Webfoots 4-1 on the Ducks' home diamond.

Left-handed hurler Don White went all the way for the Beavers, allowing six hits, striking out four and walking two. Don Siegmund pitched the first six innings for Oregon and gave up only one hit.

One Run Earned

The only earned run for OSC came as Danny Johnston walked and then scored on a triple by Jay Dean. The Beavers' other scores came on four singles, two errors and a walk with Bill Bottler pitching.

Oregon's only run came in the ninth on a double by Pete Williams. The only player who had more than one hit throughout the game was Oregon's Ron Phillips who got two for four.

Rogue River Relay Meet On Saturday

Black Tornado trackmen will be aiming for permanent possession of the Medford Kiwanis trophy next Saturday when they defend their crown in the seventh annual Rogue River relays here.

Medford has won the trophy twice and three wins is required for permanent possession.

Invitations have been sent to Grants Pass, Klamath Falls, Ashland and Crater to vie in this year's event. Grants Pass was close runner-up to Medford in 1931. Klamath did not participate last year.

Relays are planned in nine events and individual competition in three events.

Races Listed

Relay races will be the shuttle hurdles and 440-yard, 880-yard, mile, two-mile and distance medley runs. The shot put, high jump and broad jump will be relays with the distances or heights of three men from each school being tallied. The pole vault, discus and javelin will be individual events.

Medford Coach Bob Newland is attempting to arrange an extra attraction for the meet. That is a weight men's shuttle race in which each runner must weigh 190 pounds or more. Participants each would run 50-yards. The event would be staged on the football turf.

Because of the strong showing each year of Southern Oregon entries in the Hayward relays at Eugene, track coaches throughout the state watch the Rogue relays for an indication of the power of the participants.

In addition to the trophy, Kiwanians provide the ribbons for those who place in the events.

Missouri Keglers Hold Spotlight

Milwaukee — (U.P.) — Four St. Louis bowlers held the spotlight as the 40th annual American Bowling Congress tournament rounded out its second week.

The Missourians took first and second places in the all-events standings, third in singles and tied for third and seventh in doubles.

Don Carter compiled a 214.6 average for nine games to take the all-events top spot with a 1,932 total. Teammate Tom Hennessy took the runner-up spot with 1,917.

The entire Ziern team rolled a team all-events total of 9,216, an average of 204.3 per man.

Carter and Hennessy got together to roll 1,267 for a third place tie in doubles. Don McClellan and Art Ziern, also from St. Louis, took seventh place with a 1,237.

Red Rolfe May Be Fall Guy If Tiger Baseballers Flop

By Leo Peterson

Lakeland, Fla. — (U.P.) — The Detroit Tigers do not have too much going for them this year, and although the front office won't admit it, Manager Red Rolfe may be the fall guy.

For the guessing is that there will be a change made if the Tigers flop as badly as they did last year when they wound up fifth after just missing the pennant the year before.

But it is hard to see where Rolfe can be blamed for the fact of the matter is that Detroit has not come up with many promising rookies and has not made the deals necessary to make the club a contender.

Trouble at First

There still is a trouble spot at first base: catching could hurt the Tigers again unless Matt Batts comes through; and neither Connie Berry, who is adequate in the field, nor Johnny Lipon,

Salem—(U.P.)—Three new records were set Saturday in the opening events of the second annual Willamette relays at Salem.

A new mark in high hurdles was set by OSC's Chambers who went over the 120 highs in 15.1.

In the high school division, De Shon of Dallas, Ore., made the high hurdles in 15.6 in the fifth heat. The old record was held by Olson of Beaverton.

The annual event at Willamette University is the biggest track and field meet in Oregon.

Araujo Enhances Toga Bout Chance

New York — (U.P.) — George Araujo, young New England lightweight is more certain than ever he deserves a shot at Jimmy Carter's world title—but he is willing to strike a compromise.

The 20-year-old boxing master from Providence, R. I., enhanced his title chances Friday night by scoring a ninth-round technical knockout over veteran Charlie Riley of St. Louis in a nationally televised fight from St. Nicholas Arena.

"Naturally I'd like a crack at Carter," Araujo said following the fight, "but I'd be willing to settle for an elimination bout

with Paddy DeMarco if the winner gets a shot at Carter."
