

EMIGRANT LAKE RACE SET TODAY

Emigrant lake south of Ashland will churn with activity today when outboard motorboat racers from up and down the coast contend in a regatta starting at 1:30 p.m.

Sponsors said Saturday that as many as 70 boats may be entered in the races.

A number of name drivers will be Harris Quade, Troutdale, commodore of the Oregon Outboard association; Viv Bull, Redding, Calif.; Mel McGrew, Medford, who holds the world's title of 54.2 miles per hour for D utility boats, and Harold Busley, Eugene, A utility record holder.

Rocky Stone, well-known Williamson racer, may be here.

There will be six events for men and one for women with two heats in each and possibly elimination races in some. Men's heats will be five laps and women's five. Hydroplanes, runabouts and utility boats will be entered.

A good representation of local racers is anticipated and they will be aiming to outdo and out-dare the visiting boatmen.

Youngsters Free

Parking and traffic at the lake will be supervised to provide spectators good view of the events. There will be refreshment stands. Youngsters under 12 years of age will be admitted free.

Sponsors of the races are the Southern Oregon Boat club, the Western Speedboat association and the Medford 20-30 club. They suggest that residents of the valley come and make a family picnic of the day. They also advise motorists to come early and avoid the rush.

Bevos Drop Seal Game By 6-1 Edge

San Francisco — (U.P.) — Long Bill Bradford won his second game of the week Saturday as he limited the Portland Beavers to six hits in pitching the San Francisco Seals to a 6-1 victory in a Pacific Coast league game.

The victory was the third for San Francisco in the five games played with the Beavers. They wind up the series today with a doubleheader.

Bradford struck out three and walked four as he chalked up his second victory of the campaign. He got good help in the way of two double plays. The lone run scored off him was unearned.

The Seals went in front in the third inning when Ray Hamrick beat out an infield hit. He was sacrificed to second and scored on a single by Len Ratto. Ratto then scored later on an error.

Two more runs came across the plate in the fourth on successive doubles by Joe Grace, Bill McCawley and Herman Lewis. Another counted in the fifth on a single by Ratto and a double by Bob Thurman; and the final score came in the seventh when Thurman singled, advanced to second on Eddie Basinski's error and scored on McCawley's single.

The lone Portland run came when Frankie Austin singled as Ratto erred on Joe Brovia's grounder. Austin then scored from second on Bob Conatser's single to center.

Viking Girl Baseball Player Shuns Diamond

Portland (U.P.) — Portland State, formerly Vanport, will be without its feminine second-sacker this year.

Margaret (Muggsy) Dobson, who attracted national attention last season as a member of the Vanport baseball team, told Coach Arba Ager a heavy scholastic load and outside employment would prevent her from turning out this season.

Margaret is an honor student at the school.

Marcador Handicap Winner As Betting Favorites Fail

Albany, Calif. — (U.P.) — The King Ranch's Marcador, ridden by jockey R. L. Baird, who lost both his stirrups at the half-way mark, won the \$15,000 Oakland Handicap at Golden Gate fields Saturday.

A long-shot in the betting who paid off \$17.10 on a \$2 ticket, Marcador whipped some of the West's best three-year-olds, including Indian Land, the race favorite; and Betty Grable's Big Noise, both of whom finished out of the money.

Time for the one-mile was 1:35 3/5, with Horsetrader-Ed second, Haltfire third and Darktown fourth. The other horse in the field of seven was Copie H.

Marcador was well placed all the way and followed the rail all through the race. Baird lost both his stirrups shortly after passing the half-mile pole, but hung on grimly to come ripping into the stretch.

Horsetrader-Ed, who was in front at the stretch, started to bear out and Marcador came

Action Delayed On ACE Program

The decision was announced at a business meeting of the association, which held its annual convention on the campus of Arizona State college here. The organization includes colleges and universities in California, Arizona and Nevada, as well as Hawaii.

The executive committee of the association empowered presidents of member schools to study the policy of the national group. That program would abolish spring football practice and post season games, as well as tighten other athletic regulations. The presidents are to report on their finds in the fall.
