Emmanuel Sentenced To 10 Years in Jail New Appeal Pending

Olympia — (U.P.) — Samuel Emmanuel took his case to the state Supreme Court Tuesday after he was sentenced to a maximum of 10 years in prison and fined \$5,000 for asking a bribe while serving as state land board secretary.

The sentence was handed down Monday by Superior Judge Charles T. Wright after he overruled a renewed motion for a new trial. The time Emmanuel must serve in prison will be determined by the State Board of Prison Terms and Paroles. Allowed To Remain Free

Pending outcome of the appeal to the high court, Judge Wright allowed Emmanuel to remain free under the \$5,000 bail he already had posted.

Nearly a month ago a Thurston county jury found Emmanuel guilty of asking a bribe of Charles Hovey, logging manager for the V-M Timber company of Vancouver, Wash. Hovey testified the former official asked him to pay 50 cents per 1,000 board feet in return for favorable action on three applications for state timber.

Defense Attorney Lee Olwell maintained the jury was prejudiced because Prosecutor Ralph Swanson was allowed to introduce testimony about Emmanuel's private real estate business which grossed \$36,000 during the first half of 1951.

But Wright said the defendant himself had opened the door to such questioning because, under cross examination, Emmanuel had testified that his job as land board secretary kept him busy "seven days a week and the phone rang until 10 o'clock at night and the first thing in the morning."

That statement gave Swanson the right to delve into Emmanuel's private income as well as how he earned it, Wright ruled.

TO PRESENT HYMN

Ashland — New song to be added this week in the 14-number repertoire of Jackson county elementary school singers will be the familiar hymn, "God of Our Fathers." Presentation of the number will feature the weekly Southern Oregon college radio program "Singing Time" aired at 1:30 p.m. Wednesday by radio station KWIN, Ashland.

After he was sentenced, Emmanuel declared he was "shocked" at the judge's final decision and said "this whole thing has been a total miscarriage of justice."

Even as Emmanuel's appeal to the Supreme Court is pending, he must go on trial in Lewis county superior court April 22 on charges that he asked and received three bribes totaling \$6,000 from J. H. Englund, retired Winlock lumberman.

Pinay Wins First Confidence Vote

Paris — (U.P.) — An unofficial count showed Premier Antoine Pinay won the first of 10 projected votes of confidence in the national assembly Tuesday on his record-high 1952 budget.

The unofficial tally in the first vote was 325 to 206. Official results will be announced later. The assembly also voted on a second issue of confidence, but results were not disclosed immediately.

The first vote on Pinay's budget—which is much the same as those which caused the downfall of two other French governments this year—was on the blocking of more than \$271,000,000 in government investment credits.

The second vote was on Pinay's demand for a reduction in inheritance taxes.
