Gain new vim...new joy in life!

There is no need for you to be tired, nervous, cranky or constipated if due to dietary deficiencies which occur only when the daily intake of B-vitamins and Nicotin is less than minimum requirements over a prolonged period. These non-specific symptoms do not in themselves prove a dietary deficiency and may have other causes or be due to functional conditions.

BEXEL SPECIAL FORMULA, the wonderful new vitamin compound, may be exactly what you need to put you on your feet again if you...like so many, many others...are suffering from common symptoms of specific deficiencies.

With all the medical knowledge of vitamins now made available by science and health research, it is senseless for you to continue feeling excessively weak and over-fatigued, all jittery and nervous.

Where such conditions are due to lack of B-vitamins, iron and trace minerals known to be essential in human nutrition, Bexel may be the "miracle drug" you are looking for to put you in tip-top shape again!
