## Program Coordination Subject for Meeting For Gold Hill Women

Gold Hill—A round table discussion on "Program Coordination for Small Clubs" was led by Miss Laura York, Medford, state second vice-president of the Oregon Federation of BPW clubs, at a meeting of Gold Hill Business and Professional Women's club last Tuesday night at the home of Mrs. Frances Steiber, Second avenue.

Two other Medford members also participated in the program. They were Mrs. Florence Lance, state treasurer, and Mrs. Bertha Haskins, state news service chairman.

One of the principal questions raised in the discussion was how to handle such an extensive program as that suggested by the national federation, when a club has only about six or eight active members. Miss York suggested concentrating on just one phase, such as public affairs or legislation, during the year, and working in the other categories, such as health and safety, education and vocations, etc., according to their relationship or effect on the main subject.

Miss York also gave an outline of next year's national BPW program, "The Ramparts We Build," which will be composed of material and ideas on the main subject of national security.

Mrs. Lance and Mrs. Haskins also gave suggestions to help develop more interesting programs for small clubs. Mrs. Lance spoke on finances for clubs and Mrs. Haskins talked about the value of refreshments.

Refreshments were served by Mrs. Steiber.

Next meeting will be Tuesday, April 22, at 8 p.m., with the program to be devoted to health and safety. It was decided to accept an invitation to meet jointly with the Grants Pass BPW club at the Library auditorium in Grants Pass, to participate in the program put on by that club on the same topic. The Grants Pass health and safety chairman, Mrs. Erma Plett, will show a health film. Miss Fern Trull, Grants Pass, state first vice-president, will talk on her travels in various foreign countries.

The exhibit included 118 pictures, about two-thirds of which were of Rogue Valley subjects including animals, landscapes and personalities. A series of 35 sketches were made in Newport last summer.

## Annual Benefit Event Set for Griffin Creek; Nurse Speaks for Club

Plans for the annual ham dinner to be held Sunday, April 20, were made at a meeting of the Griffin Creek School Mothers' club held Friday afternoon.

The dinner, an annual school benefit, will be given in the school dining room between the hours of 1 and 5 p.m. according to the committee in charge. The public is invited.

Miss Mary Ellen Bell was speaker for the meeting and presented a film on "Rheumatic Fever." She stated the greatest cause of death in the United States is heart trouble and a large amount of the heart trouble is caused by rheumatic fever. In describing its seriousness she stated it is a disease which "licks at the joints and then bites the heart."

In comparison with other diseases, she stated, very little is being done for the victims of this disease which has struck in a great number of homes in Jackson county. She pleaded with mothers to watch for symptoms of rheumatic fever in their children and stressed the importance of blood tests and medical examinations for the "half-sick, half-well, tired droopy child."

Preceding the program a trio composed of Diane Bryan, Derwin Large and Lynn Cherry of the sixth grade class sang, and Lyn Cherry presented a solo.

Room prize was won jointly by the fourth and fifth grade rooms.
