

**PTA Discusses Children's Needs In Gold Hill Area**

Gold Hill—Gold Hill Parent-Teacher association held a panel discussion and group forum on the topic, "Today's Child in Our Community," at a meeting Thursday night in the grade school gymnasium.

Members of the panel included the Rev. Lyman D. Stiles, pastor of the Assembly of God church, as a representative of the church; Fred Lester, owner of Lester's Gold Hill Supply company, as a representative of a business; Mrs. Ida von Buskirk, third grade teacher, representing the school, and Mrs. Don Schmidt of North 99 highway, representing the home. William Hall, eighth grade teacher, acted as moderator.

The panel discussion brought out two main points concerning the welfare of children in Gold Hill. The first need was for an adequate playground space where children could have supervised play and recreation after school hours and during summer vacation. The second point was the need of leaders for youth organizations such as Boy Scouts, Girl Scouts and Brownies, and the necessity of obtaining the backing of parents for the activities of these organizations. It was stated that only a few parents were enough interested to see that their children attended meetings of youth groups.

The discussion was then thrown open to the entire group of parents and teachers attending the meeting. The same conclusions were reached by the entire assembly.

During the business session conducted by Mrs. Melford Hood, president, the matter of finding a different date or hour for PTA meetings was taken up. When it was found impossible to set a different night on which the unit could meet without conflicting with meetings of other organizations, the members voted to meet at 8 o'clock in the afternoon on the second Thursday of each month, the same date on which meetings are now held. It was arranged that Girl Scouts would provide care for children whose mothers would be attending the meetings.

An a capella chorus of 25 boys and girls of the upper grades, under the direction of Mrs. Marguerite Black, fourth grade teacher, sang six selections. It was announced that this chorus would participate in the Spring Music festival to be held in Ashland next month.

Refreshments were served in the school cafeteria by mothers of pupils in the seventh grade. Mrs. Robert Pugh and Mrs. Raymond Ritter were refreshment committee chairmen.

calling by Jack Crump and moves for children also were on the program.

Membership of the organization includes residents of most sections of the valley.
