

\$2,000 Bond For Saigh on Tax Charge

St. Louis—(U.P.)—Fred Saigh Jr., president of the St. Louis Cardinals, was to surrender on a five-count indictment for evasion of income taxes and post \$2,000 bond Thursday at the U. S. marshal's office.

The 47-year-old Saigh placed his baseball future in the hands of baseball Commissioner Ford Frick and Warren Giles, president of the National League.

Saigh predicted he would be cleared of the charge but said that he will be "guided completely by the recommendation of Frick and Giles as to whether I should now continue in baseball."

Saigh was indicted by a federal grand jury Tuesday on five counts of tax evasion, totaling \$49,260 for the period 1946 through 1949. If convicted, he could face a maximum sentence of five years on each count.

MEDFORD TRIBUNE SPORTS

Medford Thinclads Overwhelm Ashland

The Medford high school track team romped over Ashland 101½ to 24¼ here Wednesday, placing first in 11 of the thirteen events and making clean sweeps in four contests.

The lopsided victory was expected. Medford was in front all the way. The sweeps of all three places were in the high hurdles, the shot put, the 220-yard dash and the javelin.

Don Spinas in the high hurdles and quarter-mile, Bill Redden in the 100 and 220-yard dashes and Ed Bingham in the high jump and javelin were Tornado double winners.

Winton Miller in the discus and Bonds in the broad jump were the only Ashland event winners.

There were a number of good Medford performances although the victory was an easy one. Jack Moad put the shot 49 feet 1½ inches, not far off the district mark of 49 feet 5 inches. Ed Bingham posted his best javelin heave in competition this year, 166 feet 11½ inches. Dave Newland won the pole vault at 11 feet then cleared the bar at 12 feet in practice.

Three Medford sprinters, Bill Redden, Duane Goodman and Frank Balze, ran the 220-yard dash in under 23 seconds. Redden was the winner in 22.6 seconds. In an exhibition 440-yard relay, the quartet of Goodman, Don Spinas, Balze and Redden, covered the ground in 45 seconds event, better than Hayward relays time last Saturday. They ran against two other Medford teams.

Padres Top Stars After 18 Innings

San Francisco—(U.P.)—A lot of people saw a lot of baseball Thursday. But they weren't propped on the wooden seats at Hollywood stadium. They were curled up on comfortable sofas at home — watching San Diego defeat Hollywood, 5-3, in an 18-inning distance chase across their video screens.

Only 2,302 paid their way into the ball park.

Mild Game

Another extra-inning game, mild by comparison, found Seattle nipping Oakland, 8-7, on George Vico's fly ball in the 11th. In normal exhibitions, San Francisco defeated Sacramento, and Portland bombarded Los Angeles, 10-5.

San Diego's Johnny Davis, only reasonably telegraphic but quite proficient as a ball player, doubled home two runs in the top of the 18th to help the Pads lengthen their Pacific Coast league lead to a game and a half.

HEART ATTACK

Seattle—(U.P.)—Earl Shelly, general manager of the Seattle Rainiers baseball team, was reported to be in good condition Thursday after he was taken to a hospital following a heart attack Wednesday.

MASSUCCO SIGNED

Chicago—(U.P.)—The Chicago Cardinals have signed halfback Mel Massucco, Holy Cross halfback, for the 1952 season. Massucco, the Cards' 12th draft choice this year, was the 17th rookie to join the team.

DIFFERENCE OF OPINION—Clench-fisted Chicago White Sox manager Paul Richards argues with umpire Ed Rummel during game with the Browns in St. Louis after Richards claimed Brown pitcher Hal Hudson balked in an effort to pickoff Sox outfielder Orestes Mino. Umpire said it wasn't a balk and threw Richards out of the game.

SLUGGING IT OUT—Paddy DeMarco of Brooklyn (left) wins as Johnny Gonsalves of Oakland, Calif., smashes a right hand under his heart in the 10th round in San Francisco's Winterland as the two slug it out in the closing minutes. DeMarco won a unanimous decision.

Penn Relays Open Friday

Philadelphia—(U.P.)—Army's Dick Shea, meet record-holder in the two-mile run, and five other track stars will defend individual championships when the annual, two-day Penn Relays unfold for the 58th time Friday.

Shea, a 1950 winner who retained his crown last year with a precedent-shattering 9:11.9 clocking, and teammate Larry Johnson, the 120 high hurdles king, are favored.

Other Defenders

Other defenders in the 90-event program, which features 4,117 athletes, are Bob Allison of Navy, javelin; Herb Neff of Tennessee, high jump; Cummin Clancey of Villanova, discus, and Ed Ross of Yale, hammer throw.

Michigan's Roland Nilsson, shot put champion of Sweden who plans to represent his homeland in the 1952 Olympics, will compete in the shot put and discus, and on the basis of past performance, could cop both.

From the squad standpoint Michigan and Manhattan loom as winners of major titles, Michigan in the four-mile and the distance medley, and Manhattan in the 440 and 880 relays.

Fast Field Seen For Drake Relays

Des Moines, Iowa—(U.P.)—One of the fastest fields of athletes in history began arriving Thursday for the 43rd annual Drake Relays, gilded with the glitter of Olympic year competition.

St. Louis 1, Cleveland 0 (night). Detroit at Chicago (postponed, rain). Philadelphia at Washington (postponed, rain; night).

Western International Victoria 3, Yakima 0. Spokane 7, Salem 0. Tri-City 8, Lewiston 6. Vancouver 8, Wenatchee 2.

The two-day track carnival opens Friday with one of the featured events on the opening day card.

Leading four-mile relay teams will bid for an American record in that event with Kansas the pre-meet favorite to lower the existing 17:16.1 clocking. The Kansans were only 2.2 seconds off that time at their own relays last week-end on a slow track.

It makes you comfortable all over

BUICK engineers have a habit of getting at the bottom of things. So they're not content to stop with putting beneath you cushions that are luxuriously soft and deep.

They also put big, soft, deep coil springs between you and all four wheels — and big, soft tires between the wheels and the road.

But real riding comfort calls for more than cushioning up-and-down jolts and jars.

There's end-sway and side-roll and "wander" to be controlled. There's sure-footed balance on curves. Not to mention the importance of having a frame stout and husky enough to make the whole car feel safely solid.

So Buick engineers have gone through

the list—come up with a ride that cost a cool million dollars and more for special engineering, tooling and components.

Does that cover Buick's comfort story? It certainly does not.

There's the comfort of driving a car that instinctively holds the road — the comfort of ample room and a wide-open view of the world around you—the comfort of fabric colors that please the eye and fabric textures that please the touch — and the effortless smoothness of Dynaflo Drive.*

Then there's the mental comfort of bossing power mighty enough to meet any demand you make upon it in emergency — 8-cylinder power — high-compression power — valve-in-head power — Fireball power, that makes you proud of the

miles you get from a gallon of gas.

And maybe you'll also find comfort in knowing that this great automobile can be yours at a price that is still just a small step above what's known as "the low-priced three."

On top of all this, driving a Buick's a barrel of fun. Why not drop in tomorrow and ask us to prove it?
