REMOLDINE

A CONTOUR FACIAL WITH HORMONES

by Dorothy Gray

NEVER BEFORE—all these beauty benefits in one single beauty product. New Remoldine, by Dorothy Gray, helps you look years younger and lovelier than ever before these 6 important ways:

1. Remoldine counteracts puffiness on jawline and under eyes!
2. Blend of astringents and oils works to smooth crepey neck and facial lines!
3. Exclusive formula makes skin look and feel glowing, helps guard skin against externally-caused blemishes!
4. Works 24 hours because it's continuing!
5. Contains exclusive ingredient "Eltanol"—milder than lanolin, kinder to skin!
6. Natural Estrogenic Hormone content further reduces conspicuous lines, wrinkles—gives skin a youthfully moist look!

See amazing results in just a short while! 4-oz. bottle Remoldine... \$5.00, plus tax.
