The car was purchased Sept. 21, 1951 and Soja dated his check for the following day. Millions of Americans this month are making it a special point to invite their friends into their churches—as freely and frequently as they ask them to their homes. You'll find that SHARING your faith does something for you, and for your friends as well... it grows when it's shared... and your friendships grow, too.

Take someone to church this week... you'll both be richer for it
