READ JOHN CUPP'S STATEMENT!

After operating our retail furniture business in our Pine Street location for the past 4½ years, I have decided after May 15 to consolidate my two stores and operate ONLY at the BARGAIN BARN location on Highway 99. With lower overhead and better parking facilities, I feel that I can better serve my friends and customers through this consolidation.

Although I have recently DOUBLED the size of the BARGAIN BARN, the space is not sufficient to accommodate BOTH stocks—and the cost of moving is prohibitive.

After considerable thought, I finally decided to SELL THE ENTIRE STOCK in our Pine Street location—worth \$88,000—at public auction, and secured the veteran auctioneer, Col. Burns, to handle the sale.

NO cheap merchandise or used stock will be featured in this sale—it's ALL the fine furniture always featured at our Pine Street store in Central Point.

And, folks, I want to consider this sale a sincere "thank you" for your friendly patronage during the 25 years of successful business in Jackson County. You will be able to buy furniture AT YOUR OWN PRICE... and I personally guarantee that there will be NO by-bidding and NO reservations. It is a bonified auction—EVERYTHING GOES, regardless of cost—Thank You!
