Cry to Him

One of our Mission stations overseas reports 50 natives converted last year. These have a cheer, hope and God-nature unknown to them before they opened their hearts and let Christ in — "If any man be in Christ, he is a new creation—old things have passed away — 1st Cor. 5:17. One of their mission forces urges us to pray on and on for their Sunday afternoon meet when so many converts are brought in.

Few ever go to a physician until they know themselves to be sick. And no one comes to Christ to be saved, until he knows himself to be lost. God only can convince men that they are lost. ONE—Give out the Message of salvation. TWO—Pray God to convict them. Most saved people have been prayed for. Plead with God to bring them through. This space used by a Bethany family who would see you saved.—Adv.

However the Brotherhood of Locomotive Firemen and Enginemen summoned its policy committee to a meeting here Tuesday to rule on any agreement that might be reached.
