Demonstration Agent Speaks on Housework

Butte Falls—Surprising facts were given members of Butte Falls Home Extension unit when they listened to Miss Eula Wintermote, present the subject of "Streamlining Your Housework" at the home of Mrs. William Edmondson, Thursday. Fatigue can be greatly lessened by careful attention to the posture the housewife assumes while she does her daily jobs, Miss Wintermote said. Frequent short rests of even five minutes can help streamline her work, and having long handled tools and comfortable heights for work tables are other helps.

Mrs. Edmondson, ACWW chairman, announced the national rural home essay contest open to all extension members. Announcement was made also that the Simplicity pattern company now has on the market a pattern for the functional house-dress which was developed last year through homemaker research.

Several members are planning to attend Homemakers' festival in Central Point on May 7. The unit will exhibit belts and buckles.

It was decided to sponsor at least one scholarship for the Jackson county 4H summer camp this year. Miss Wintermote and Rufus Cate have charge of the week long camp and older 4H'ers who have had summer school training at Corvallis are counselors for younger groups. The camp is at Greyback near the Oregon Caves.

At the close of the meeting officers were installed. They are chairman, Mrs. Keith Scott; vice-chairman, Mrs. Leslie Casey; secretary, Mrs. Fred Hoef; treasurer, Mrs. Donald Smith.

September 4 will be the date of the next regular meeting.

Association Sponsors Fund-Raising Event

Gold Hill—The volley ball game sponsored at the school gymnasium by the Parent-Teacher association as a money-raising project was a hilarious event, but there is some doubt as to which team won.

Members of the Slimsters, a women's weight-reducing group, formed one team. Team members were attired in costumes ranging from hula hula skirts to black-face minstrel show get ups. Mrs. Paul Molloy was dressed as a little girl, complete with hair ribbon, rag doll and child's purse.

The opposing team was made up of business men of the town, most of whom had not played volley ball for at least 10 or 15 years. The women's team contained nine members and the men's team seven. After the business men piled up a substantial lead, the score-board began performing antics. Ten points were registered for the women in one jump, and some of the men's points seemed to be counted as deductions instead of additions. According to the score-board, the game ended in a tie.

A preliminary game was played between the A and B teams of the school.

The Slimsters' team included Mrs. Molloy, Mrs. William Hall, Mrs. Ed Knapp, Mrs. George Turner, Mrs. Donald Dusenberry, Mrs. Don Schmidt, Mrs. Grace Caldwell, Mrs. Thomas J. Short, Mrs. Wilmer Bailey and Mrs. Delos Walker. Mrs. Schmidt and Mrs. Knapp took turns as substitute. The men's team included Delos Walker, Don Morrow, Angus Todd, Wilmer Bailey, George Turner, Fred Lester and William Hall.

A PTA committee sold popcorn and soda pop during the game, refreshments were served afterward. Proceeds from admission charges and refreshments went toward paying expenses of a delegate to the state PTA convention at Pendleton last month.

Convention Reports To Be Given for Unit

Lone Pine Parent-Teacher association will meet Friday, May 9 at 2:30 p.m. at the school. New officers for the coming year will be installed. They are Mrs. William Neal, president; Mrs. Floyd Hilton, vice president; Mrs. Kenneth Shaw, secretary, and Mrs. Emmett Gott, treasurer.

Mrs. Neal will report of the parent-teacher state convention held at Pendleton last month. Refreshments will be served.

Bedtime Snack solves laxative problem

ALL-BRAN is the only type ready-to-eat cereal that supplies all the bulk you may need. It's high in cereal protein, rich in iron, provides essential B and D vitamins. Not habit-forming. Statement Reviews Aims Of Public School Music

"Make Your Life More Musical," keynote for the 1952 National Music Week, is the ever-present aim of the Medford public school system, a statement issued by the school points out. The school statement presents a brief picture to the community regarding the music program available to all students in the Medford system.

Every school child in grades one through six is given a general musical background in music reading and appreciation with the fundamental aim of finding joy in participation through singing. In each grade building, in addition to regular classroom singing, a special fifth and sixth grade chorus is organized. Approximately 70 per cent of these grades participate in the choruses.

Instrumental training is also begun in the fifth grade. As far as possible, the schools provide wind and string instruments on which the children may learn. These special instrumentalists make up the bands and orchestras in their respective schools.

At the junior and senior high school level, both vocal and instrumental music become elective subjects. Medford Junior High school boasts 450 students participating in some type of music class or organization. All of these students were recently presented in a spring festival program, an annual affair at the school.

At Medford Senior High school, over 250 students are enrolled in the band, orchestra, choir, girls chorus and boys chorus. Performances by all of these groups and smaller ensembles are well-known to Medford audiences.

"Medford city schools believe in music as one of the great cultural forces of life and strive toward self-expression through singing and playing and to more active, appreciative listening," the statement concludes.

Gold Hill Garden Club Holds Annual Election At Meeting on Friday

Gold Hill—Mrs. George Smith of Sardine Creek was re-elected president of Gold Hill Garden club at a meeting held Friday at the home of Mrs. Arthur Boye, North 99 highway. Also re-elected for another year were Mrs. Carl Boye, vice-president and Mrs. George Dorman, secretary-treasurer.

The meeting began with a picnic luncheon served outdoors on the lawn. Mrs. J. G. Kofahl won the attendance prize of a pot of primroses donated by the club president. An arrangement of pink dogwood in a silver bowl, flanked by pink candles, was displayed by Mrs. Kofahl. Mrs. Carl Boye showed an arrangement of old-fashioned pink roses and pink honeysuckle. Reports on the Siskiyou district convention held at Central Point Thursday were given by Mrs. Smith, Mrs. Dorman, Mrs. Paul Holderness, Mrs. Frank Carter and Mrs. Elmer Krause. It was announced that four club members, Mrs. Smith, Mrs. Dorman, Mrs. Holderness and Mrs. Hannah Routh, had attended every meeting during the past club year. After the business session, the program chairman, Mrs. Holderness, showed colored slides of southern Oregon wild flowers. Plans were made for members to enter exhibits in the Rogue River Garden club flower show at Rogue River May 3, and for a delegation to attend the show. The next meeting was scheduled to be held Friday, June 6, at 1 p.m. at the home of Mrs. Carl Boye, North 99 highway.
