3 GREAT OPPORTUNITIES

1. 10 A located on rolling land overlooking the Valley. We believe in a very short while this land will be under irrigation and when it is no one will have a finer piece of property. It has a beautiful homesite and a major portion of it is tillable. Its in grain crop now. Owner has authorized us to sell for $5000—¼ cash bal. over 5 yrs. This tract undoubtedly in the near future should be worth a lot more than this price.
2. Everyone wants a home but many cannot afford either the large down payment or the high cost of building. We have subdivided a very beautiful piece of land covered with trees approx. 5 mi. from town on good paved highway. These homesites are 100x298. If you have enough money to buy the material for your home and can build it yourself, you can purchase one of these homesites with as little as $25 down and $15 per mo. This is your opportunity to have a home.
3. Brand new 2-bedroom home on approx. 1 A of good soil in an excellent neighborhood that we will sell for $1000 down if you can make good monthly payments. This is a real deal. Total price $11,500.
