

PAYS "DEBT TO GOD"—Former newspaperman William H. McDougall (left) pays "final installment on my debt to God" as he is ordained a Catholic priest at Salt Lake City. The ceremony climaxed his promise to "do something really worth while" after he survived the Japanese sinking of the Dutch ship Pooleau and imprisonment by the Japanese.

Portlanders May View Conventions on TV

Portland — (U.P.)—Portlanders were told Wednesday they will see—free of charge—the National Republican and Democratic conventions in Chicago by direct television next July.

Oregon's largest city is still without TV of its own because of the long "freeze" by the Federal Communications Commission.

But residents learned that the conventions' telecasts are to be brought in through the combined efforts of KING-TV, Seattle; the Pacific Telephone & Telegraph company and the Columbia Broadcasting system.

J. L. Middlebrooks, KING's director of engineering, made the disclosure, but said the TV casts would be on a closed circuit—not broadcast to home sets.

Northern California Power Project Asked

Washington — (U.P.)—Pacific Gas & Electric Co., San Francisco, has asked the Federal Power Commission for a three-year preliminary permit for a proposed hydroelectric project on the McCloud river and its tributaries in Shasta and Siskiyou counties, California.

The proposed development envisages four plants using waters of McCloud river and Squaw valley creek to generate 374,000 horsepower. The electricity would be sold in central and northern California.

Fred M. Marsh, Lebanon logger, and William Brenner, The Dalles contractor, were dismissed. Marsh was one of three men who, in pre-trial testimony, would not answer questions on grounds that the answers might tend to incriminate him.

The government charges the timber transaction was conceived in fraud.

Trial on the suit is scheduled to start next Monday. Defendants in the suit are Mrs. Ernestine Siniscal, Portland, who the government claims bought the land for \$135,000 last August; Mr. and Mrs. Henry B. Taylor of The Dalles, and Mrs. Siniscal's father, Elmer Reed, Cutler City.

Journal, Oregonian Offers Unacceptable

Portland — (U.P.)—Larry Howes, president of the Portland local of the American Newspaper Guild (CIO) said Wednesday an offer made by publishers of The Oregon Journal and The Oregonian was unacceptable to the Guild's executive committee.

Howes said the offer, which included pay increases ranging from a top of \$3.50 per week for top scale reporters to a minimum of \$1.50 for lower classifications, would be referred to a Guild membership meeting Thursday night.

The increase would bring the weekly pay of top scale reporters to \$102.50 a week on the two daily newspapers.

The Guild has authorized a strike to obtain contract improvements.

Carter, Salas In Title Tussle

Los Angeles — (U.P.)—Lauro Salas, a beetle-browed Mexican, gets his big chance for the glory and big money of the fight game when he tries to wrest the world lightweight crown from precision-like Jimmy Carter Wednesday night.

But the fans and unofficial odds-makers are betting 8 to 1 he won't do it—even though they'll give you even money he'll last the 15-round route just like he did a month and a half ago in a title go with Dusky Jimmy that attracted 8,000 spectators.

Roosevelt, Washington Win in Grade Circuit

Roosevelt tipped Jackson 8 to 7 and Washington thumped Lincoln 16 to 2 Tuesday in city grade school league baseball games.

Washington scored 10 runs in the third inning against Lincoln. Walks figured strongly in Washington scoring as the crew got only five hits off four Lincoln pitchers. Lincoln got only one hit off Hurler Frank Albert.

Roosevelt holds the league lead with two wins and no losses. It beat Lincoln last week while Jackson was tripping Washington.

LINE SCORE:
Roosevelt 323 6-8 3 5
Jackson 302 2-7 2 4
Niles and Rasmussen; Jay Howard and John Howard.

Willamette Flood Stage Seen Saturday

Portland — (U.P.)—The Willamette river is expected to reach flood stage at Portland Saturday, river forecasters said Wednesday.

A stage of 18.2 feet was predicted, 2 of a foot over flood stage. The stream is expected to rise to 18.6 feet Sunday, but drop slowly Monday.

No serious flooding is expected, although forecasters said some of the lower docks along the river may have to be abandoned.

The Columbia river at Vancouver, Wash., was nearly two feet above flood stage of 15 feet Wednesday. It is expected to reach 18.7 Sunday and drop to 18.6 Monday.

Good News For Septic Tank Owners

The trend to suburbs, ranch homes, and year-round beach or mountain living has only one drawback—sanitation facilities! Septic tanks are lifesavers for those who live away from city sewer systems. But septic tanks can, and do, stop-up and overflow! First, because the tank is not cleaned at proper intervals; secondly, toilet tissue that does not readily disintegrate may clog the drains and force them to back up!

This may be avoided by using MD Toilet Tissue—because MD is scientifically processed to absorb water quickly. Drains don't clog or back up so readily!

Good practice: Consult your County Health Department, your plumber, or a septic tank service company, for advice on cleaning your tank. Use MD Toilet Tissue!

Two Defendants in Land Sale Dismissed

Portland — (U.P.)—Two of the defendants in the government's suit to nullify sale of 800 acres of timberland near Gold Beach, Ore., were dismissed Wednesday by U.S. District Judge Gus J. Solomon.

Fred M. Marsh, Lebanon logger, and William Brenner, The Dalles contractor, were dismissed. Marsh was one of three men who, in pre-trial testimony, would not answer questions on grounds that the answers might tend to incriminate him.

The government charges the timber transaction was conceived in fraud.

Pitcher Records Dream Tiff by Striking Out 27

Bristol, Tenn. — (U.P.)—A pitcher's "dream game"—27 strikeouts—has been fashioned by 20-year-old Ron Necciai, a pitcher with the Bristol Twins of the Class D Appalachian league.

Necciai's amazing feat, performed Tuesday night as he pitched a no-hitter to beat the Welch Miners, 7 to 0, is believed to be the first time in the history of organized baseball that a pitcher has recorded the maximum number of strikeouts for a nine-inning game.

Only two batters reached base against Necciai—he walked one and the other reached first when the catcher dropped a third strike.

Matthews Holds Training Windup

Seattle — (U.P.)—Harry (Kid) Matthews scheduled six rounds of boxing Wednesday as a wind-up to his local training in preparation for a 10-round bout with heavyweight Rex Layne in Portland Monday night.

Both Matthews and Layne planned to work out Thursday at veterans' hospital in Vancouver, Wash.

Matthew's weight was believed to be about 182 pounds, several pounds lighter than his opponent's.
